MEETING

DATE: August 10, 2016

RE: ANNEXATION OF 1630 S. BROADWAY IN COAL CITY

The former Lavezzi Plumbing Building at 1630 S. Broadway shall be the home of a new trucking firm that is relocating into Coal City. The owners of the property, RMR Investment, LLC would like to annex into the Village of Coal City to assist with the long-term viability of the company. It is expected to operate much like Cardinal Trucking and include the administrative personnel for a small trucking firm employing approximately 20 people on an annual basis.

The owners of the property have the ability to remain unincorporated and operate similarly, but the owners have chosen to enter into an agreement with the Village of Coal City whereby it may maintain some its own utility services and access further village services should they need them in the future. In light of the company's ability to remain unincorporated rather than annex, they have requested terms of annexation to include a reduction of property taxes for a limited time as well as the total building permit fees during its buildout.

The annexation of 1630 S. Broadway carries with it three action for the Board to consider. The first is an Annexation Agreement. This is the basis for which the Board must conduct a public hearing prior to its Regular board Meeting. The second action is to annex the property via an ordinance. The final action is the rezoning along with a conditional use and variance which was previously subject to a public hearing and recommendation by the Planning & Zoning Board.

The terms contained within the annexation agreement provide a phased-in taxation of the new municipal tax levy line item; all other levying districts shall remain unaffected. RMR Investments, LLC shall have the municipal property taxes abated for its first 5 years following annexation. Thereafter the abatement lessons whereby the property owners pay 15%, 20%, 25%, 50%, 75% and then 100% from year 11 onward. The new company shall not lead to additional investment in the property other than building out the interior of the new structure; cost for inspecting these improvements shall be \$500.00. The term of this agreement shall be for 12 years from its adoption.

Recommendation:

- 1.) Adopt Ordinance 16-17: Authorizing the Execution of an Annexation Agreement with RMR Investments, LLC concerning 1630 S. Broadway
- 2.) Adopt Ordinance 16-18: Annexing Certain Territory – 1630 S. Broadway, into the Village of Coal City
- 3.) Adopt Ordinance 16-19: Granting a Map Amendment, Conditional Use, and Variance for the operation of an Industrial Use at 1630 S. Broadway.

B. Rezoning.

1. The Parties acknowledge and agree that (i) Owner has petitioned the Village for a zoning map amendment reclassifying the Subject Property from RS-1 to the I-1 Industrial District (the "Rezoning"), (ii) the Village's Planning and Zoning Commission ("P & Z") has conducted a duly noticed public hearing thereon and that the Village has completed all jurisdictional and procedural prerequisites necessary to render a final vote and decision upon Owner's pending Rezoning petition, and (iii) the P & Z has recommended approval of the Rezoning to the Corporate Authorities.
2. Promptly upon passage of the Annexation Ordinance, the Village shall adopt an ordinance granting the Rezoning. Except as otherwise provided

SECTION 6. DEVELOPMENT OF THE PROPERTY.

A. Permits. Owner has submitted or shall submit applications for and obtain all necessary permits and approvals as may be required by Village ordinance or other local regulation or other applicable laws prior to commencing any work in furtherance of the Plans.

B. Conformance with Approved Plans and Applicable Law. Owner shall construct and install or cause to be constructed and installed the Project on the Property in substantial compliance with zoning regulations, building regulations, building permits, site plans, and other plans submitted to and approved by the Village, other authorities having jurisdiction over the Property, and Applicable Laws.

C. Parking Surface. Notwithstanding any other provision in this Agreement, the Parties acknowledge and agree that Owner shall not be required by the Village to alter or expand the curb cut on Broadway, nor the gravel drive or surface parking area.

D. Project Commencement. Owner shall commence the Project by August 15, 2016 (“Project Commencement Deadline”). Commencing the Project shall mean, at minimum, that Owner has: (i) submitted completed applications and payments for all necessary building permits and approvals as may be required by Village ordinance or other local regulation or other applicable laws, except as may be otherwise provided herein; (ii) applied for and made all submittal requirements in connection with all necessary permits and approvals from all governmental agencies other than the Village having applicable jurisdiction as shall be necessary or appropriate to construct the Project in accordance with approved plans; (iii) erected temporary signage on the Property in such form as shall be approved by the Village and sufficient to alert the public that the Property is to be the future home of Company, (iv) caused contractors to begin work on the Facility.

A final certificate of occupancy shall be issued by the Village to the extent that Developer is in material compliance with this Agreement, the PUD Ordinance, and the ordinances and regulations of the Village and any other entity with jurisdiction over the development.

G. Operation. Owner shall operate Company in accordance with Applicable Law.

SECTION 7. BUILDING PERMIT FEES.

The Village agrees to conduct all required building permit review, processing and issuing, inspections and issuance of any occupancy certificates for a one-time lump-sum payment of Five Hundred and No/100 Dollars (\$500.00).

SECTION 8. PROPERTY TAX ABATEMENT.

A. Abatement Contingencies. The Village will provide property tax abatement to Owner in accordance with the schedule set forth herein only if the conditions of this Section 8 and the Agreement are met and maintained by Owner and Company.

B. Abatement Obligation. Provided that Owner and/or Company meets and maintains the following conditions and Owner is otherwise in compliance with its obligations under this Agreement, the Village agrees to abate the stated portion of Owner’s real estate property taxes paid on the Property as hereafter set forth:

1. Company is fully open and operational on a continuous basis for not less than forty (40) hours per week from and after Opening Day through the term of the Agreement.
2. At all times, Company employs at the Facility no less than ten (10) “Qualifying Employees”, as that term is defined herein. A Qualifying Employee shall mean a regular, non-seasonal full-time employee of Company

(but not an employee of an employment agency or third-party contractor) working more than 32 hours per week (1,664 hours per year) at the Facility with a minimum wage and benefit package of at least \$30,000.00 per year. Vacations, paid holidays, and sick time are included in this computation. Overtime is not considered a part of regular hours.

C. Loss of Abatement. If the number of Qualifying Employees at the Facility falls below ten (10) at any time during the term of the Agreement, then Owner shall not be entitled to any tax abatement for the tax year (payable the following calendar year) of such shortfall, provided however Company may cure such default within thirty days (30) of receiving notice of default from the Village by submitting evidence that the number of Qualifying Employees has been re-established at a threshold level of at least ten (10) or more. By way of illustration, if the number of Qualifying Employees falls below ten (10) at the Facility on June 30, 2017, which is reported to or otherwise discovered by the Village on August 1, 2017, then Owner shall not be entitled to any tax abatement for the 2017 tax year, payable in 2018. In such case, the Village shall refrain from taking action to abate property taxes for the Property for the 2017 tax year, payable in calendar 2018.

D. Abatement Schedule. The Village shall in any year beginning with the 2017 tax bill (payable in 2018), as long as Company meets and maintains the conditions set forth above and other Company obligations in this Agreement, abate Company's real property taxes paid to such party for real estate taxes assessed on Company's Facility, as provided below:

10 Year Property Tax Abatement Schedule:

Year 1 (2017 tax bill, payable in 2018)	100% of Village Real Property Taxes Abated
Year 2	100% of Village Real Property Taxes Abated
Year 3	100% of Village Real Property Taxes Abated
Year 4	100% of Village Real Property Taxes Abated
Year 5	100% of Village Real Property Taxes Abated
Year 6	85% of Village Real Property Taxes Abated
Year 7	80% of Village Real Property Taxes Abated
Year 8	75% of Village Real Property Taxes Abated
Year 9	50% of Village Real Property Taxes Abated
Year 10	25% of Village Real Property Taxes Abated
Year 11 and subsequent years	0% of Village Real Property Taxes Abated

SECTION 9. ABATEMENT REPAYMENT IN EVENT OF FACILITY CLOSURE.

A. Deemed Facility Closure. If the number of Qualifying Employees at the Facility shall fall below five (5) at any time during the term of this Agreement, or if the Company operates for less than ten (10) hours per week for more than two consecutive weeks, said occurrence shall constitute a “Facility Closure Default”. In the case of a Facility Closure Default, Owner shall be obligated to cure, or cause Company to cure, such Default within thirty (30) calendar days after the first to occur of (i) receipt of a written Facility Closure Default notice from the Village or (ii) the date of submittal of an Informational Report detailing such Facility Closure Default (or, where such Informational Report is not submitted, then the date on which such submittal was due). If the Facility Closure Default is not cured by Company’s employing five (5) or more Qualifying Employees by the end of the cure period then the Facility Closure Default shall be deemed to constitute a “Facility Closure Event of Default”.

B. Refund. Upon the occurrence of a Facility Closure Event of Default, Owner shall be obligated to refund to the Village a sum equal to the aggregate amount of real property taxes abated for the Property prior to the Facility Closure Event of Default under this Agreement, which refund shall be due and payable on the thirtieth (30th) day following the Facility Closure Event of Default. For purposes of applying the refund, the Facility Closure Event of Default shall be deemed to have occurred during the calendar year in which the Facility Closure Default first occurred, irrespective of the year in which such Facility Closure Default is detected or disclosed by either of the Parties.

SECTION 10. OWNER RECORD-KEEPING AND REPORTING OBLIGATIONS.

A. Record-Keeping. Owner shall maintain, and shall require each employment agency or third-party contractor supplying regular, full-time employees to Company at the Facility to maintain, through the term of the Agreement, each of the following:

1. Adequate books, records and supporting documents to verify the employment, salary, wages, benefits, hours, position titles, hiring dates, employment commencement and termination dates of all Qualifying Employees, full-time contract employees and full-time employees provided by employment agencies working at the Facility.
2. Any other books, records and documents necessary to maintain a complete verification of Owner's obligations.

B. Informational Report. Owner shall file or caused to be filed with the Village on or before December 1 of each year during the term of this Agreement (commencing on December 1, 2016) an "Informational Report" defined as an affidavit produced by Owner stating the then-current number of Qualifying Employees at the Facility. In addition to the annual filing of the Informational Report, Owner shall produce an Informational Report to the Village within ten (10) days of any request for the same from the Village, provided that the number of Village requests shall in not exceed five (5) in any calendar year.

C. Inspection of Books and Records.

1. This Agreement, and all books, records and supporting documents related to this Agreement (cumulatively, the "Records", inclusive but not limited to all books, records, documents and certificates described in this Section 10 hereof) shall be available for review, inspection and audit by officials and authorized agents of the Village. Owner agrees to cooperate fully with any audit conducted by the Village, and to provide full access to all relevant materials without charge. Failure to maintain the Records shall establish a presumption in favor of the Village for the recovery of any property taxes abated by the Village under this Agreement for which adequate books, records and supporting documentation are not available to support the abatement.
2. The Village, or an agent working therefore, shall have the right, on thirty (30) days notice, to inspect the Records or the Facility.
3. Owner and/or Company shall permit and cooperate with the Village or an authorized representative, agent or contractor thereof in arranging for inspections during normal business hours of the Facility. Owner acknowledges and agrees to the following: (i) all such inspections and any reports made in connection therewith shall be made at the Village's expense for the sole benefit of the Village; (ii) neither the Village, nor any of its representatives, agents or contractors assume any responsibility or liability by reason of such inspections or reports; (iii) Owner will not rely upon any such inspections or reports for any purpose whatsoever; and (iv) such inspections shall not constitute a waiver of any of the provisions of this Agreement or any of the obligations of Owner hereunder.

4. The Owner and/or Company shall permit and cooperate with the Village or an authorized representative, agent or contractor thereof in arranging for inspections of all books and records of Company and any contractor or employment agency which relate to any employment matter related directly or indirectly to this Agreement.
5. It is expressly understood and agreed by and amongst the Parties that any review, inspection, or monitoring of any kind performed by the Village or any one of them or an authorized representative, agent or contractor thereof may include (by way of example and not of limitation):
 - i. True and accurate copies of the Department of Labor Wage Reports;
 - ii. Visually inspecting the Facility; and
 - iii. Any other reasonable means by which the Village or an authorized representative, agent or contractor thereof needs to confirm Owner's and/or Company's compliance with the terms of this Agreement.

D. Confidentiality. The Village acknowledges and agrees that the Informational Report, and any other employment, wage or salary information produced by Owner or Company or otherwise obtained or inspected by the Village pursuant to this Agreement (cumulatively, the "Confidential Information") is proprietary and valuable information and that any disclosure or unauthorized use thereof will cause irreparable harm to Owner and/or Company, and Village shall receive and protect such information in a manner to afford the highest degree of exception to disclosure possible under state or federal law, including but not limited to Section 7(1)(g) of the Illinois Freedom of Information Act. The Village agrees to hold the Confidential Information in confidence and in connection therewith, the Village shall not copy, possess or disseminate the Financial Information in a manner which would subject such information to disclosure. The foregoing notwithstanding, the Parties acknowledge and agree that the Village shall be permitted to disclose the Confidential Information to a controlled group of Village officials, agents, consultants and employees who reasonably need to know such information to administer and evaluate this Agreement, including the Corporate Authorities, the Village Attorney, Village accountant, and Village Treasurer (the "Control Group"). The Village shall cause the Control Group to hold in confidence the Confidential Information, except only to the extent that non-disclosure is in conformance with Applicable Law, and only then to the limited extent such disclosure is required. The confidentiality requirements of this Agreement shall survive any renewal, expiration, termination or cancellation of this Agreement and shall continue to bind the

Village, its successors, assigns and legal representatives after the termination or expiration of this Agreement. The Village shall promptly notify Owner as to a Freedom of Information Act request and the commencement of any legal action in regard thereto such that the Owner shall have a meaningful opportunity to object to the release of any such Confidential Information and to take such action as it deems necessary in order to protect against the release of such Confidential Information.

SECTION 11. SANITARY/STORM SEWER/POTABLE WATER.

- A. The Property is not now serviced by a water main or sanitary sewer and Owner shall not be required to hook up to the Village water or sanitary sewer system at the time of annexation of the Property, nor be required to extend or hookup to any such water main and sanitary sewer that becomes available for connection.
- B. If Owner desires to connect to the Village water or sanitary sewer system in the future, the Village agrees to waive its standard tap-on fees for such connection.
- C. If Owner desires to connect to the Village water or sanitary sewer system, then Owner may install, at its own expense, the necessary infrastructure and extend same services. If Owner installs the necessary infrastructure and extends the water or sanitary sewer service to the Property, the Village shall cooperate with said Owner to recapture any applicable expenses as permitted under State law. The Village does not require a request for any other variances in order to continue the Property's use of a private well and/or septic system.

SECTION 12. EASEMENTS.

Owner shall grant to the Village public utility and enforcement easements over, on, and across the Property for the purposes of enforcing Applicable Laws, making repairs, installing and servicing utilities, and providing public and emergency services.

SECTION 13. VILLAGE SERVICES.

Except as otherwise provided herein, upon the effective date of annexation, Owner will receive police protection and other municipal services provided by the Village.

SECTION 14. LIABILITY AND INDEMNITY OF VILLAGE.

A. Village Review. The Owner acknowledges and agrees that the Village is not, and shall not be, in any way liable for any damages or injuries that may be sustained as the result of the Village's review and approval of any plans for the Property or the issuance of any

approvals, permits, certificates, or acceptances for the development or use of the Property or the Facility, and that the Village's review and approval of those plans and the Improvements and issuance of those approvals, permits, certificates, or acceptances does not, and shall not, in any way, be deemed to insure the Owner, or any of its heirs, successors, assigns, tenants, and licensees, or any other Person, against damage or injury of any kind at any time.

B. Village Procedure. The Owner acknowledges and agrees that notices, meetings, and hearings have been properly given and held by the City with respect to the approval of this Agreement and agrees not to challenge the City's approval on the grounds of any procedural infirmity or of any denial of any procedural right.

C. Indemnity. The Owner agrees to, and does hereby, hold harmless and indemnify the Village, the Corporate Authorities, and all Village elected or appointed officials, officers, employees, agents, representatives, engineers, and attorneys, from any and all claims that may be asserted at any time against any of them in connection with (i) the Village's review and approval of any plans for the Property; (ii) the issuance of any approval, permit, certificate, or acceptance for the Property; and (iii) the development, construction, maintenance, or use of any portion of the Property.

D. Defense Expense. The Owner shall, and does hereby agree to, pay all expenses, including without limitation legal fees and administrative expenses, incurred by the Village in defending itself with regard to any and all of the claims related to this Agreement.

SECTION 15. DEFAULT AND REMEDIES.

A. Procedure for Declaring Defaults. Except as otherwise provided, in the event of a breach or violation of any material term, representation, warranty, covenant, agreement, or condition of this Agreement ("Default"), the Party not in Default shall serve written notice upon the Party in Default, which notice shall be in writing and shall specify the particular Default. Failure on the part of either Party to cure the Default within thirty (30) days after receiving written notice thereof (unless a different time period is specified in the Agreement for curing non-performance of a specific task or event) shall constitute an "Event of Default." Except as otherwise provided in this Agreement, no Event of Default of this Agreement may be found to have occurred if performance has commenced to cure such default to the reasonable satisfaction of the complaining Party within thirty (30) days of the receipt of such notice and the Party alleged to be in Default continues diligently to pursue such cure. Except as otherwise provided, no Default by Developer or the Village shall be actionable or be of other consequence unless and until it shall constitute an Event of Default.

B. Remedies for Events of Default. Except where a particular remedy is specified in this Agreement for a specific Default or Event of Default, the Parties to this Agreement may, in law or in equity, by suit, action, mandamus, or any other proceeding, including without limitation specific performance, enforce or compel the performance of this Agreement; provided, however, that the Owner agrees that it will not seek, and does not have the

right to seek, to recover a judgment for monetary damages against the Village, or any of its elected or appointed officials, officers, employees, agents, representatives, engineers, or attorneys, on account of the negotiation, execution, or breach of this Agreement. Neither Party shall be liable to the other for consequential damages or lost profits. Any action brought by either party to this Agreement shall be prosecuted in a court of competent jurisdiction in Cook County, Illinois. In the event that either Party hereto institutes legal proceedings against the other Party for violation of this Agreement and secures a judgment in its favor, the court having jurisdiction thereof shall determine and include in its judgment against the losing Party all expenses of such legal proceedings incurred by the prevailing Party, including, but not limited to, court costs and attorneys' fees, and witnesses' fees incurred by the prevailing Party in connection therewith.

C. No Waiver of Right to Enforce. Failure of any Party to this Agreement to insist upon the strict and prompt performance of the terms, covenants, agreements and/or conditions set forth herein, or any of them, upon any other party imposed, shall not, absent other facts and circumstances, constitute or otherwise be construed as a waiver or relinquishment of any party's right thereafter to enforce any such term, covenant, agreement and/or condition, but the same shall continue in full force and effect.

SECTION 16. GENERAL PROVISIONS.

A. Binding Effect. The Parties intend that the terms and conditions of this Agreement shall be a covenant running with the land and shall be binding upon and inure to the benefit of the Parties hereto, their grantees, nominees, successors in interest, assignees, heirs, executors, or lessees. Owner shall be required to inform any and all prospective and future successors, nominees and assigns of the obligations contained in this Agreement.

B. Time. Time is of the essence in the performance of this Agreement. If the time for any performance hereunder ends on a day not a business day, such time shall be extended to the next business day.

F. Entire Agreement. This Agreement shall constitute the entire agreement of the Parties hereto; all prior agreements between the Parties, whether written or oral, are merged herein and shall be of no force and effect.

G. Amendments and Modifications. No modification, addition, deletion, revision, alteration or other change to this Agreement shall be effective unless and until such change is reduced to writing and executed and properly approved by the Corporate Authorities of the Village at the time such modification is intended to be effective, pursuant to all applicable statutory procedures.

H. Rights Cumulative. Unless expressly provided to the contrary in this Agreement, each and every one of the rights, remedies and benefits provided by this Agreement shall be cumulative and shall not be exclusive of any other such rights, remedies and benefits allowed by law.

I. Non-Waiver. The Village shall be under no obligation to exercise any of the rights granted to it in this Agreement except as it shall determine to be in its best interest from time to time. The failure of the Village to exercise at any time any such rights shall not be deemed or construed as a waiver thereof, nor shall such failure void or affect the Village's right to enforce such rights of any other rights.

J. Notice. ORDINANCE NO. _____

**AN ORDINANCE GRANTING A REZONING OF PROPERTY COMMONLY
REFERRED TO AS 1630 SOUTH BROADWAY
FROM RS-1 TO I-1 ALONG WITH A VARIANCE AND CONDITIONAL USE IN THE
VILLAGE OF COAL CITY**

WHEREAS, an application for rezoning according to Section 156.270 of the Village of Coal City Zoning Code (“Zoning Code”) was filed by Frank Cortina, acting on behalf of RMR Investments, LLC (“applicant”) on July 13, 2016 to request the rezoning of the property from RS-1 upon annexation to I-1; and

WHEREAS, the applicant requested a conditional use to allow, “Outdoor storage associated with any permitted or conditional use in the district,” as required with Table 9 of the village’s zoning code; and

WHEREAS, the applicant requested a variance from Section 156.139 to allow the continuance of the existing gravel parking surfaces rather than being required to improve the parking surfaces with concrete or asphalt; and

WHEREAS, a public hearing regarding consideration of the rezoning petition along with a variance and conditional use was held on August 1, 2016; and

WHEREAS, the Village of Coal City Planning and Zoning Board met on August 1, 2016 to consider passage of the rezoning request to the Board of Trustees; and

WHEREAS, Section 156.270 permits the Village Board to approve amendments to the zoning of property; and

WHEREAS, the Village Board of Trustees and the President of the Village of Coal City believe it is in the best interests of the Village to grant conditional uses.

NOW THEREFORE, BE IT ORDAINED by the President and Board of Trustees of the Village of Coal City, Grundy and Will Counties, Illinois, as follows:

Section 1. Recitals. The foregoing recitals shall be and are hereby incorporated into and made a part of this Ordinance as if fully set forth in this Section 1.

Section 2. Findings of Fact. The Board of Trustees find as follows concerning the map amendment:

- A. The industrial utilization for this property is compatible with those areas immediately adjacent to the property.
- B. Industrial zoning is supported by the trend of development within this area; the adjacent facilities contain trucking firms and have been zoned industrial.

- C. Amending the zoning to industrial is Consistent with the Comprehensive Plan which called for South Broadway within this area and farther south to be industrially zoned.
- D. Changing the zoning upon annexation Further the Public Interest by allowing the property to be utilized for industrial utilization bringing along with it value for taxation by the Village of Coal City from its annexation forward.

Section 3. Findings of Fact. The Board of Trustees find as follows concerning the requested conditional use:

- A. The traffic uses are consistent with the principle I-1 zoning to be utilized on the property upon which the building lies and no increased traffic flow is created by granting a conditional use allowing outdoor storage on the property.
- B. No adverse environmental effects, such as elevated noise, odor, or dust production shall occur due to the outdoor storage conditional use proposed for the property.
- C. The outdoor storage fits harmoniously with the neighborhood and shall be similar in nature to the adjacent properties.
- D. The provision of the considered uses shall not result in additional public services or facilities for the property.
- E. The utilization of outside storage shall not be detrimental to public health and safety.
- F. There are no other factors to be considered for which the conditional uses requested should be withheld.
- G. The proposed outdoor storage is compatible in all respects with the site and the surrounding area.

Section 4. Findings of Fact. The Board of Trustees find as follows concerning the requested variance:

- A. The variance to be considered takes into account Special Circumstances Not Found Elsewhere to include the annexation of an existing business that is allowed certain operational capabilities if it were not annexed within Coal City under its current county industrial zoning.
- B. To be required compliance with the village's parking area surfacing requirements would provide an unnecessary hardship for the owner of the property who can utilize the property without resurfacing off-street parking areas currently as an unincorporated property.

- C. The variance authorizing a gravel off-street parking area is necessary to enable the operation of the trucking firm on the property, consistently with the industrial zoning designation.
- D. To allow the gravel parking surfaces on the property to remain provides consistency with the Comprehensive Plan, which calls for light-industrial use on the property and is expected to be adjacent to rail-served freight services.
- E. The requested relief from parking surfacing requirements is the minimum departure necessary to enable the contemplated use of the property.

Section 5. Description of the Property. The property is commonly referred to as 1630 S. Broadway as provided in Exhibit A and legally described as:

PART OF THE SOUTHWEST QUARTER OF SECTION 11, TOWNSHIP 32 NORTH, RANGE 8, EAST OF THE THIRD PRINCIPAL MERIDIAN, DESCRIBED AS FOLLOWS: COMMENCING AT THE SOUTHWEST CORNER OF THE SOUTHWEST QUARTER OF SAID SECTION 11; THENCE NORTH 1775.00 FEET ALONG THE WEST LINE OF SAID SOUTHWEST QUARTER TO THE POINT OF BEGINNING; THENCE CONTINUE NORTH 350.00 FEET ALONG SAID WEST LINE; THENCE EAST 622.29 FEET; THEN SOUTH 350.00 FEET; THENCE WEST 622.29 FEET TO THE POINT OF BEGINNING; SITUATED IN BRACEVILLE TOWNSHIP, GRUNDY COUNTY, ILLINOIS.

Parcel Identification Number 09-11-300-007

Section 6. Public Hearings. A public hearing concerning the consideration of rezoning was advertised on July 13, 2016 in the Coal City Courant and held by the Planning and Zoning Board on August 1, 2016 at which time a majority of the Planning and Zoning Board members recommended passage of the applicant's request to the Board of Trustees.

Section 7. Zoning Amendment with additional Conditional Use and Variance. The applicant's request for map amendment with additional relief is granted as follows:

- A. A zoning amendment altering the zoning of the property from RS-1 to I-1 is hereby granted.
- B. The property shall be provided a conditional use to allow Outdoor storage associated with any permitted use in the district.
- C. A variance shall be allowed to allow the property owner to maintain the existing gravel surfaces for parking, outdoor storage, and interior traffic flow.

Section 8. Conditions. The zoning amendment with additional relief granted herein is contingent and subject to the following conditions:

- A. The property shall be utilized in a manner consistent with the presentation of the applicant before the Planning & Zoning Board and the Board of Trustees.

Section 9. Severability. In the event a court of competent jurisdiction finds this ordinance or any provision hereof to be invalid or unenforceable as applied, such finding shall not affect the validity of the remaining provisions of this ordinance and the application thereof to the greatest extent permitted by law.

Section 10. Repeal and Savings Clause. All ordinances or parts of ordinances in conflict herewith are hereby repealed; provided, however, that nothing herein contained shall affect any rights, actions, or causes of action which shall have accrued to the Village of Coal City prior to the effective date of this ordinance.

Section 11. Effectiveness. This ordinance shall be in full force and effect from and after passage, approval and publication in pamphlet form as provided by law.
