**Availability of Monitoring Data for Unregulated Contaminants for Coal City**

**Our water system has sampled for a series of unregulated contaminants. Unregulated contaminants are those that don't yet have a drinking water standard set by EPA. The purpose of monitoring for these contaminants is to help EPA decide whether the contaminants should have a standard. As our customers, you have the right to know that these data are available. If you are interested in examining the results, please contact Village Hall at 815-634-8608 or at 515 S. Broadway St. Coal City.**

**This notice is being sent to you by the Village of Coal City. State Water system IL0630200.**
