

# BROADWAY STREET RECONSTRUCTION CONSTRUCTION UPDATE

## Traffic Switch Re-scheduled

The traffic pattern change that was originally scheduled for today has been pushed back to Monday, September 9th to allow the electrical subcontractor more time to complete their work.

We apologize for any inconvenience.

Southbound Broadway traffic will shift to west side on the new pavement.  
Northbound Broadway traffic will remain in its current lane.

Berkot's drive will remain open to northbound traffic except for times when the contractor is working in the area.
