

# BROADWAY STREET RECONSTRUCTION CONSTRUCTION UPDATE

## Upcoming Road Closure and Detour

The Contractor is scheduled to begin Stage II work on October 9th. Due to the work restrictions adjacent to the railroad, Broadway will be closed from Center Street to Park Street to allow the contractor to complete the work. The expected duration of the closure is 30 calendar days. A detour will be posted to use the alternate route of Spring Road, Carbon Hill Road and Division Street (shown in yellow).

The Village Hall, Post Office and Police Station will still be accessible from SB Broadway.
