

"TRICK-OR-TREAT"

Hours for 2020 will be
4p.m. to 6p.m. on Saturday, October 31st

The Villages of Coal City and Diamond have collaborated to encourage Halloween Participants to follow these guidelines:

- *All participants wear a face covering/mask that completely covers their nose and mouth
- *Parents accompany their own children in their own small group
- *Homes with lights on welcome trick-or-treaters
- *Homes with no lights on do not wish to participate in trick-or-treating
- *The person handing out treats should wear face covering/mask that completely covers their nose and mouth
- *Only one group goes to the door at a time
- *Groups should maintain a 10 foot separation from other groups
- *Treat packaging should be cleaned and checked prior to letting children eat their treats
- *Parents should have hand sanitizer with them to regularly clean their children's hands during trick-or-treating
- *Parents should take children's temperature and check for COVID symptoms prior to allowing children to participate. Anyone experiencing a fever or COVID symptoms should not participate in trick-or-treating

Please drive careful and be mindful of the participants of the annual tradition
