PERMANENT PUBLIC UTILITY WATERMAIN EASEMENT

THIS TEMPORARY CONSTRUCTION AND PERMANENT PUBLIC UTILITY EASEMENT (this “**Agreement**”) is made and entered into this ____ day of _____, 2018, by and between (i) Reed & Broadway, LLC, an Illinois limited liability company (“**Grantor**”); (ii) the Village of Coal City, Illinois, an Illinois municipal corporation (the “**Village**”); and (iii) Hoffman Property Holding, L.L.C., an Illinois limited liability (“**Developer**”).

W I T N E S S E T H:

- A. Grantor is the owner of that certain parcel of land located in Grundy County, Illinois, legally described on **Exhibit A** attached hereto and made a part hereof (the “**Subject Parcel**”).
- B. **Developer** is or will become the owner of that certain parcel of land located in the Village of Coal City, Grundy County, Illinois that is legally described on **Exhibit B** attached hereto and made a part hereof (the “**Developer Parcel**”).
- C. In connection with Developer’s development of the Developer Parcel, it is necessary for a potable water line to be brought across the Subject Parcel to the Developer Parcel, in that specific portion of the Subject Parcel legally described on which area is legally described on **Exhibit C** attached hereto and made a part hereof and further depicted on **Exhibit D** attached hereto and made part hereof (the “**Permanent Easement Premises**”).
- D. The installation of the aforementioned potable water line within the Permanent Easement Premises may require temporary use of specific portions of the Subject Parcel that are adjacent to the Permanent Easement Premises as legally described on **Exhibit E** attached hereto and made a part hereof and further depicted on **Exhibit D** attached hereto and made a part hereof (the “**Temporary Construction Easement Premises**”) and will require use of specific portions of the Subject Parcel that are adjacent to the Permanent Easement Premises for maintenance purposes, as legally described on **Exhibit F** attached hereto and made a part hereof and further depicted on said **Exhibit D** (the “**Permanent Maintenance Easement Premises**”).

E. Grantor, as owner of the Subject Parcel, and Developer, as owner of the Developer Parcel, desire that Grantor will hereby create and grant a temporary construction easement in, to, on, over, under and through the Temporary Construction Easement Premises for the purpose of initially constructing and installing a portion of an underground potable water line and appurtenant facilities necessary for the operation and maintenance thereof (collectively, the “**Water Facilities**”), upon the terms, provisions and conditions set forth in this Agreement.

F. Grantor, as owner of the Subject Parcel, and Developer, as owner of the Developer Parcel, desire that Grantor will hereby create and grant a permanent easement in, to, on, over, under and through the Permanent Easement Premises for the purpose of utilizing, operating, inspecting, maintaining, repairing, renewing and replacing the Water Facilities upon the terms, provisions and conditions set forth in this Agreement.

NOW, THEREFORE, in consideration of the foregoing, and the mutual covenants and agreements of the parties contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor, the Village and Developer agree as follows:

1. **Recitals Incorporated by Reference.** The Recitals to this Agreement are incorporated herein as if they had been set forth in the text of this Agreement, as the agreement and understanding of the parties.
2. **Grant of Temporary Construction and Maintenance Easement.** Grantor, on behalf of itself and all future owners of the Subject Parcel and each portion thereof, hereby grants, declares, gives and conveys a temporary, non-exclusive easement (the “**Temporary Construction Easement**”) in, on, over, through and across the Temporary Construction Easement Premises, Permanent Easement Premises, and each portion thereof, in favor of the owners of the Developer Parcel and their respective contractors, agents, employees, representatives, successors, transferees and assigns (each, a “**Grantee**”), for the purposes of installing, maintaining and repairing the Water Facilities during the term of this Temporary Construction Easement. Grantor also hereby grants the Village and its contractors, agents, employees, representatives, successors, transferees and assigns, a temporary, non-exclusive easement in, on, over, through and across the Temporary Construction Easement Premises, Permanent Easement Premises and each portion thereof for the purpose of inspecting and testing the Water Facilities during the term of the Temporary Construction Easement. The term of this Temporary Construction Easement shall commence upon the Effective Date and terminate upon the Village’s acceptance of the Water Facilities.
3. **Grant of Permanent Easement.** Grantor, on behalf of itself and all future owners of the Subject Parcel and each portion thereof, hereby grants, declares, gives and conveys a permanent, non-exclusive easement (the “**Permanent Easement**”) in favor of the Grantees, in, on, over, through and across the Permanent Easement Premises, the Permanent Maintenance Easement Premises, and each portion thereof for the purposes of (i) continuously having the Water Facilities remain in existence and functioning properly and (ii) operating, maintaining, repairing, renewing and replacing the Water Facilities. Grantor also hereby grants the Village and its contractors, agents, employees, representatives, successors, transferees and assigns, a non-exclusive easement in, on, over, through and across the Permanent Easement Premises, the Permanent Maintenance Easement Premises, and

each portion thereof for the purposes of (i) inspecting and testing the Water Facilities in accordance with standard Village practices; and (ii) from and after such time, if any, that the Village acquires the Water Facilities or assumes maintenance responsibilities for the Water Facilities, continuously having the Water Facilities remain in existence and functioning properly and operating, maintaining, repairing, renewing and replacing the Water Facilities. The term of the Permanent Easement shall commence upon the Effective Date and continue indefinitely thereafter.

4. **Covenants of Grantee.** Neither Developer nor any other Grantee nor the Village shall have the right pursuant to this Agreement to: (a) construct or maintain any structure, installation, facility or improvement other than the Water Facilities on, over, across and under the Temporary Construction Easement Premises, the Permanent Easement Premises, the Permanent Maintenance Easement Premises or any other portion of the Subject Parcel; or (b) permit any lien to be filed against the Subject Parcel or any portion thereof or any improvements thereon for any labor or materials in connection with work performed on the Subject parcel at its direction or sufferance. As soon as is practicable following the completion of any Grantee's work within the Temporary Construction Easement Premises, the Permanent Easement Premises or the Permanent Maintenance Easement Premises, such Grantee shall restore the surface of whatever portion of the Subject Parcel was disturbed by such work to the same condition as it was in immediately prior to Grantee commencing such work, and all such restoration shall be completed by Grantee at its sole cost and expense. The covenants provided herein by Developer, any other Grantee and the Village shall in each instance be deemed separately given and in no case joint and several.

5. **Consideration.** For and in consideration of the sum of Ten Dollars (\$10.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, Grantor acknowledges that it waives any claim or demand for payment of further consideration, all claims arising out of the above acquisition have been waived, including without limitation, any diminution in value to any remaining property of the Grantor caused by the permanent and temporary construction easements herein granted. This acknowledgment does not waive any claim for trespass or negligence against the Grantee or Village which may cause damage to the rest of Grantor's property.

6. **Covenants Run with Land.** All provisions of this Agreement shall run with the land in accordance with the terms hereof and be binding upon and inure to the benefit of all parties having or acquiring any right, title or interest in or to any portion of, or interest or estate in the applicable benefited and burdened parcels described herein. Without limiting the generality of the foregoing; (i) the burdens of the Temporary Construction Easement shall run with the land comprising the Temporary Construction Easement Premises and be binding upon said lands during the term of said easement, and the benefits of the Temporary Construction Easement shall run with and inure to the lands comprising the Developer Parcel and the owners thereof; and (ii) the burdens of the Permanent Easement shall run with the land comprising the Permanent Easement Premises and the Permanent Maintenance Easement Premises and be binding upon said lands during the term of said easement, and the benefits of the Permanent Easement shall run with and inure to the Village and the lands comprising the Developer Parcel and the owners thereof. The terms "**Village**," "**Developer**," "**Grantor**," and "**Grantee**" as used herein shall be deemed to include any and all successors, grantees and assigns of the undersigned parties, as well as future successors, grantees and assignees

of any portion or subdivision of the Subject Parcel or the Developer Parcel, and their respective successors, grantees and assigns.

7. **Indemnification and Release of Claims.** During the term of the Temporary Construction Easement (as determined in accordance with Section 2 hereof), the Grantee in title to the Developer Parcel shall: (a) assume sole and entire responsibility for any and all loss of life, injury to persons or damage to property that may be sustained due to the activities, operations or use of the Subject Parcel by itself, its agents, employees and contractors, and those claiming by, through or under the Grantee in title to the Developer Parcel; and (b) indemnify, defend and hold harmless Grantor, the Village and their respective officers, directors, employees, agents, contractors and invitees from and against any and all liability, loss, claims and expenses (including reasonable attorneys' fees) that are due to the activities, operations or use of the Subject Parcel by the Grantee in title to the Developer Parcel.

8. **Amendments and Additional Documents.** This Agreement, together with the Exhibits hereto, contains the entire agreement between the parties hereto relating to the grant of the Temporary Construction Easement and the Permanent Easement. This Agreement may be modified, amended, or supplemented only by subsequent written agreement of the Grantor and Developer (and by the Village if such amendment would modify any one or more rights or obligations of the Village hereunder). The parties further agree to promptly execute and deliver: (a) such further documents as may be reasonably requested by the other party in order to more fully effectuate the terms and provisions of this Agreement; and (b) any modification, amendment, estoppel or supplement to this Agreement requested by any lender providing financing or refinancing for the acquisition, construction, maintenance, alteration, restoration or repair of any improvements made to the Subject Parcel or the Developer Parcel, or any part thereof, so long as such modifications, releases, amendments, estoppels or supplements are reasonable and do not materially and adversely affect the duties, obligations, rights and privileges created hereunder.

9. **Notices.** All notices and other communications given pursuant to this Agreement shall be in writing and shall be deemed properly served if delivered on the first day following delivery to an overnight courier service or on the third day after deposit in the U.S. mail as registered or certified mail, return receipt requested, postage prepaid, as follows:

12. **Non-waiver.** Neither the failure nor delay of either party to enforce any violation of, nor to insist upon the strict performance of, any obligation under this Agreement, shall be deemed a waiver by such party of any other future breach. A waiver by either party of a breach of, or a default in, any of the terms of this Agreement by the other party shall not be construed to be a waiver of any subsequent breach of or default in the same or any other provision of this Agreement. No party’s exercise of any remedy under this Agreement shall be deemed to be an election of remedies or waiver of any other remedy provided for in this Agreement, or otherwise available at law or in equity.

13. **Condemnation.** If any or all of the Temporary Construction Easement Premises or the Permanent Easement Premises shall be taken by any competent authority for public use or purpose, or if Grantor shall make a conveyance of such real estate under threat thereof, Grantor shall be entitled to the entire award or compensation, and neither the Village nor Developer shall have any

right to claim any portion thereof by virtue of any interest created by this Agreement; provided, however, that: (i) the Village and Developer shall have the right to assert any claims at law or in equity before said authority based on the effect of said taking on the easements herein granted, and (ii) the Village and Developer shall be entitled to any award or compensation obtained thereby.

14. **No Joint Venture.** Nothing in this Agreement shall be construed to make the parties hereto, or any combination thereof, partners or joint venturers or render either of said parties liable for the debts or obligations of the other.

15. **Severability.** If any provision of this Agreement or the application of any provision to any person or circumstance shall, for any reason and to any extent, be invalid or unenforceable, the remainder of this Agreement shall remain unaffected and shall be enforced to the fullest extent permitted by law. In addition, to the extent possible, any such term or provision shall be deemed modified so that the intention of the parties is maintained to the extent permitted by applicable law.

16. **Headings/Exhibits.** The Article headings in this Agreement are for convenience only, shall in no way define or limit the scope or content of this Agreement, and shall not be considered in any construction or interpretation of this Agreement or any part hereof. Any reference to an exhibit in this Agreement shall be deemed to incorporate by reference that exhibit into this Agreement such that it is an integral part of this Agreement.

17. **Counterparts.** This Agreement may be executed in counterparts, each of which shall be deemed to be an original, but all of which together will constitute one and the same instrument.
