ORDINANCE NO. \_\_\_\_\_

**AN ORDINANCE AMENDING THE VILLAGE CODE TO REPEAL RESIDENCY  
REQUIREMENT FOR VILLAGE EMPLOYEES**

**(DOES NOT IMPACT POLICE OFFICERS OR ELECTED AND APPOINTED  
OFFICIALS)**

**WHEREAS**, the Village of Coal City (hereinafter, the “*Village*”) is an Illinois municipal corporation organized and operated under the laws of the State of Illinois; and

**WHEREAS**, the Village is a non-home rule municipality and, as such, may exercise delegated statutory and Constitutional powers and such powers as are necessarily implied therefrom; and

**WHEREAS**, the Illinois Municipal Code requires that elected and appointed officials, including police officers, reside within the Village, except for the treasurer, engineers, health officers, attorneys, or other officers who require technical training or knowledge (65 ILCS 5/3.1-10-5 and 65 ILCS 5/3.1-10-6); and

**WHEREAS**, the Village is authorized to adopt ordinances allowing its police officers to reside outside of the corporate limits (65 ILCS 5/3.1-10-6(c)) and the Village has so acted to allow full-time police officers to reside outside of the Village so long as they reside within twenty miles of Village Hall; and

**WHEREAS**, the Village may, but need not, establish residency requirements for its rank-and-file employees so long as there is a rational basis supporting its residency requirements; and

**WHEREAS**, the Village has previously adopted has adopted Section 30-3(B) of the Village of Coal City Code of Ordinances (“*Village Code*”), requiring that its department heads, supervisors and their next-in-commands to reside within the Coal City School District; and

WHEREAS, the Village President and Board of Trustees (“*Corporate Authorities*”) find that it is desirable to establish a uniform residency requirement applicable to all employees other than those elected and certain appointed officials required by law or contract to reside within the corporate boundaries of the Village of Coal City; and

WHEREAS, the Corporate Authorities find and determine that using a proximity-based formula for residency instead of requiring residency within the local school district enhances the pool of qualified candidates for future job openings by increasing workforce flexibility while preserving the responsiveness of employees being called to work on short notice in response to urgent situations.

**NOW, THEREFORE, BE IT ORDAINED** by the President and Board of Trustees of the Village of Coal City, Counties of Will and Grundy, Illinois, as follows:

**MEETING**

**DATE:** March 10, 2021

**RE: UPDATED PRELIMINARY PLAT APPROVAL & FINAL PLAT  
APPROVAL FOR PHASE 6 OF MEADOW ESTATES**

Mark Scaggs, the developer of Meadow Estates subdivision, would like to start developing 14 additional lots within Meadow Estates. Previously, in 2006, the Planning & Zoning Board provided a positive recommendation which was approved by the Village Board for a Preliminary Plat for the entire subdivision. At this time, the subdivision was annexed and provided zoning within the Village. Initially, Meadow Estates' second phase was to be a 50-lot improvement, but the developer would broke the future portions into smaller phases allowing him to post less public improvement bonds and construct more houses. Mark Scaggs is not asking for any relief from the Village code, he would like to bring the next 11 lots forward to final plat that had previously been anticipated to be part of a larger phase.

Attached to the Resolution is the Final Plat for Phase Six to be recorded upon positive Village support for the Resolution. After the Final Plat has been authorized for signature, the Village Engineer shall review the engineering plans for the proposed infrastructure (roads, curb and gutter, street lights, and storm collection) along with the Engineer's Estimate of Probable Construction Cost (EEOPC) to set the proper security.

Judgement of the Final Plat proposal is a bit different than consideration of variances. Subdivision standards are set forth in Section 155 of the Code. This subdivision received its Preliminary Plat approval back in 2006 with the enclosed Plat. Final Plat is supposed to follow within one year's time. Since the Final Plat in this case is separated by so much time and the intended phasing of the improvements has significantly changed, Scaggs' petition requested a review of the Preliminary Plat and to be allowed to step forward to Final Plat on the last 11 properties to complete the residential single family units within the subdivision.

The Planning & Zoning Board considered this request at its March 1<sup>st</sup> meeting and unanimously recommended its approval.

**Recommendation:**

Adopt Resolution No. \_\_\_\_: Updating the Preliminary Plat for Meadow Estates and Providing Final Plat Approval of Phase Six.

RESOLUTION NO. \_\_\_\_\_

**A RESOLUTION UPDATING THE PRELIMINARY PLAT PREVIOUSLY APPROVED  
FOR MEADOW ESTATES AND PROVIDING FOR  
FINAL PLAT APPROVAL FOR PHASE SIX OF MEADOW ESTATES**

**WHEREAS**, the Village Board adopted Resolution 06-02 on February 13, 2006 approving the Preliminary Plat for Meadow Estates subdivision with 94 total lots, including 19 multi-family dwellings, one commercial outlot and the remaining lots to be utilized for detached single-family dwelling units; and

**WHEREAS**, the Village's Engineer, Chamlin & Associates, approved the First Phase Final Plat on October 16, 2006 after amending the preliminary plat to move the location of the park property and changed a majority of the multi-family dwellings into single-family detached units; and

**WHEREAS**, the developer of the subdivision, Scaggs Construction, Inc. desired to update the existing Preliminary Plat to properly reflect the intended future phasing of construction within the subdivision whereby the remaining 50 residential lots shall be constructed utilizing four additional phases in order to properly construct and complete all of the requisite public improvements; and

**WHEREAS**, Mark Scaggs petitioned the Zoning Board of Appeals on behalf of Scaggs Construction, Inc. to request final Plat Approval for Phase Six of the subdivision to allow the construction of single-family detached residential units of lots 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, and 30; and

**WHEREAS**, the Zoning Board of Appeals reviewed the January 29, 2021 petition for preliminary and final plat approvals for the subdivision that received proper public notice within the February 10, 2021 edition of the Coal City Courant and conducted a public hearing on the matter at its meeting of March 1, 2021; and

**WHEREAS**, the Zoning Board of Appeals unanimously recommended the adoption of the updated Preliminary Plat and the Phase 6 Final Plat as presented at its March 1, 2021 Meeting to the Village Board of Trustees;

**NOW, THEREFORE, BE IT RESOLVED BY THE MAYOR AND BOARD OF TRUSTEES OF THE VILLAGE OF COAL CITY, GRUNDY & WILL COUNTIES, ILLINOIS AS FOLLOWS:**

1. That the above recitals are hereby incorporated into the body of this Resolution and restated as set forth herein.

**A RESOLUTION UPDATING THE PRELIMINARY PLAT PREVIOUSLY APPROVED FOR MEADOW  
ESTATES AND PROVIDING FOR  
FINAL PLAT APPROVAL FOR PHASE SIX OF MEADOW ESTATES**

---

2. The Preliminary Plat for Meadow Estates is updated and approved as presented in Attachment A setting forth additional phases that shall require Scaggs Construction, Inc. to properly fund, and construct public improvements according to the standards set forth in the Coal City Village Code. No certificate of occupancy shall be issued within future phases until proper installation of all public improvements have been installed to the satisfaction of the Village of Coal City and/or its representative(s).
  
3. Final Plat Approval for Phase 6 of Meadow Estates is provided according to the depiction attached hereto as Attachment B and must be recorded by Scaggs Construction, Inc. at the Grundy County Recorder's Office according to the standards set forth within the Village Code.

**RE: ZONING CODE TEXT REVISIONS**

The existing code did not contemplate the repeated utilization of portable temporary storage that occurs during reconstruction and residential moves. In addition to this type of storage, the Village Code was somewhat silent regarding the utilization of carports and their related structures. The Zoning Board of Appeals (ZBA) considered the matter and recommends the attached text amendment language in order to clarify the regulation of these types of uses that are increasing within residentially zones areas.

Under this language there would be a permit system by which portable storage units would be registered in order to regulate the timing of their utilization ensuring they do not become a permanent feature of a residence.

The ZBA considered this matter at its last meeting and unanimously recommends the adoption of these text amendments.

**Recommendation:**

Adopt Ordinance No. \_\_\_\_: Amending the Zoning Code to Properly Regulate Different Types of Storage Solutions within the Village.
