Grundy County Provides Update on Vaccination Plans

MORRIS, IL – The Grundy County Health Department will begin to offer COVID-19 vaccines through our office every Thursday, starting on July 15th. The Health Department is located in the Grundy Administration Building at 1320 Union Street, Morris.

To schedule an appointment you will need to call our office at (815) 941-3404. We will be offering the Pfizer, Moderna, and Johnson & Johnson vaccines as inventory allows.

While the vaccine remains available at no cost, the Health Department will begin charging an administration fee for each vaccine given. This administration fee of \$23 will be billed to the client's health insurance company. Insurance companies are prohibited from "balance billing" clients and the administration fee will be waived for residents without health insurance, thereby relieving all residents of any financial responsibility. At no time will there be any personal out of pocket costs to receive a COVID-19 vaccine.

The assigned Illinois National Guard mobile team will be leaving Grundy County on July 9th. The Grundy County Health Department would like to sincerely thank the Illinois National Guard for their assistance with our mass vaccination efforts, which includes more than 35,000 shots administered.

As a reminder...

Moderna Vaccine Guidelines

- Must be 18 years old or older.

Pfizer Vaccine Guidelines

- Must be 12 years or older. If under the age of 14 you MUST be accompanied by a parent or legal guardian. If between the ages of 14-17 you MUST be accompanied by another adult and have a completed Minor Consent Form if a parent/legal guardian is not with you.
- Minor Consent Form can be found on our website grundyhealth.com

Johnson & Johnson Vaccine Guidelines

- Must be 18 years old or older.
