

COAL CITY VILLAGE BOARD MEETING

**WEDNESDAY
APRIL 26, 2023
7:00 P.M.**

AGENDA

1. Call meeting to order
2. Pledge of Allegiance
3. Approval of Minutes
 - Budget Meeting – March 29, 2023
 - Public Hearing – April 12, 2023
 - Regular Meeting – April 12, 2023
4. Approval of Warrant List
5. Public Comment
6. Appointment and Swearing in Police Department Officers
 - Tyler Grigus
 - Nathan Stadler

7. Proclamation for Grundy County Historical Society 100th Anniversary
8. Presentation Hope Helps All Inclusive Playground Final Phase
9. Ordinance 23-09 Variance for Fence - 110 E Third Street
10. Authorize Mayor Halliday to Execute Letter to Coal City Fire & Police Board of Commissioners to hire an additional Police Officer
11. Authorize Purchase of Coal City Police Department Chief Vehicle
12. Report of Mayor
13. Report of Trustees:
 - S. Beach
 - T. Bradley
 - D. Spesia
 - D. Greggain
 - R. Bradley
 - D. Togliatti
14. Report of Village Clerk
15. Report of Village Attorney
16. Report of Village Engineer
17. Report of Chief of Police
18. Report of Village Administrator
19. Adjourn

Coal City Village Hall
515 S. Broadway, Coal City, IL 60416

**Proclamation
Grundy County Historical Society
100th Anniversary
May 31, 2023**

WHEREAS, on May 31, 2023, a preliminary meeting for the purpose of forming a historical society was held in the Morris Public Library. At this time, a committee was appointed to draw up a code of by-laws and regulations; and

WHEREAS, on August 17, 1923, the by-laws were adopted, and officers were elected with Dr. W. E. Walsh, a Morris physician, elected the first president of the Grundy County Historical Society; and

WHEREAS, on September 6, 1923, the Society brought a request to the Board of Supervisors of Grundy County to finance the building of cases for the display of relics of historic interest. The Board agreed to finance the building of the cases which are still being used today; and

WHEREAS, the Society has continued to collect and house historical relics. Originally at the Grundy County Courthouse, then at 201 E. Illinois Avenue, and finally the presentation location 510 W. Illinois Avenue which was completed in 2009; and

WHEREAS, the purpose of the Grundy County Historical Society Museum is to house, preserve and exhibit objects pertaining to the County's history: cultural, social, geological, and anthropological; and

WHEREAS, the Society continues to provide educational forums so the public may enjoy and learn from the material culture of Grundy County.

NOW, THEREFORE, I, Terry Halliday, Village President of the Village of Coal City, do hereby proclaim May 31, 2023 as:

Grundy County Historical Society Day

and urge our residents to join me in extending sincere congratulations and gratitude to the Society for enriching the lives of Grundy County citizens by providing a variety of intellectual, recreational and cultural resources for the past 100 years.

PROCLAIMED this _____ day of _____, 2023

IN WITNESS, WHEREOF I hereunto set my hand and cause the Seal of Coal City to be herein affixed.

8

Grundy County Historical Society

Invitation

OPEN HOUSE

100 Year Celebration 1923 - 2023

- ♦ **Date:** Sunday, May 7, 2023
- ♦ **Time:** 1 pm to 4 pm
- ♦ **Location:** Museum of the Grundy
County Historical Society, 510 West
Illinois Ave., Morris, IL

Refreshments will be served.

*Helpful experts will be present at various
exhibits in the Museum, including the
I&M Canal, the Fossils, the Tool Shed and
more. Watch a demonstration on an old
fashioned Loom!*

MEETING

DATE: April 26, 2023

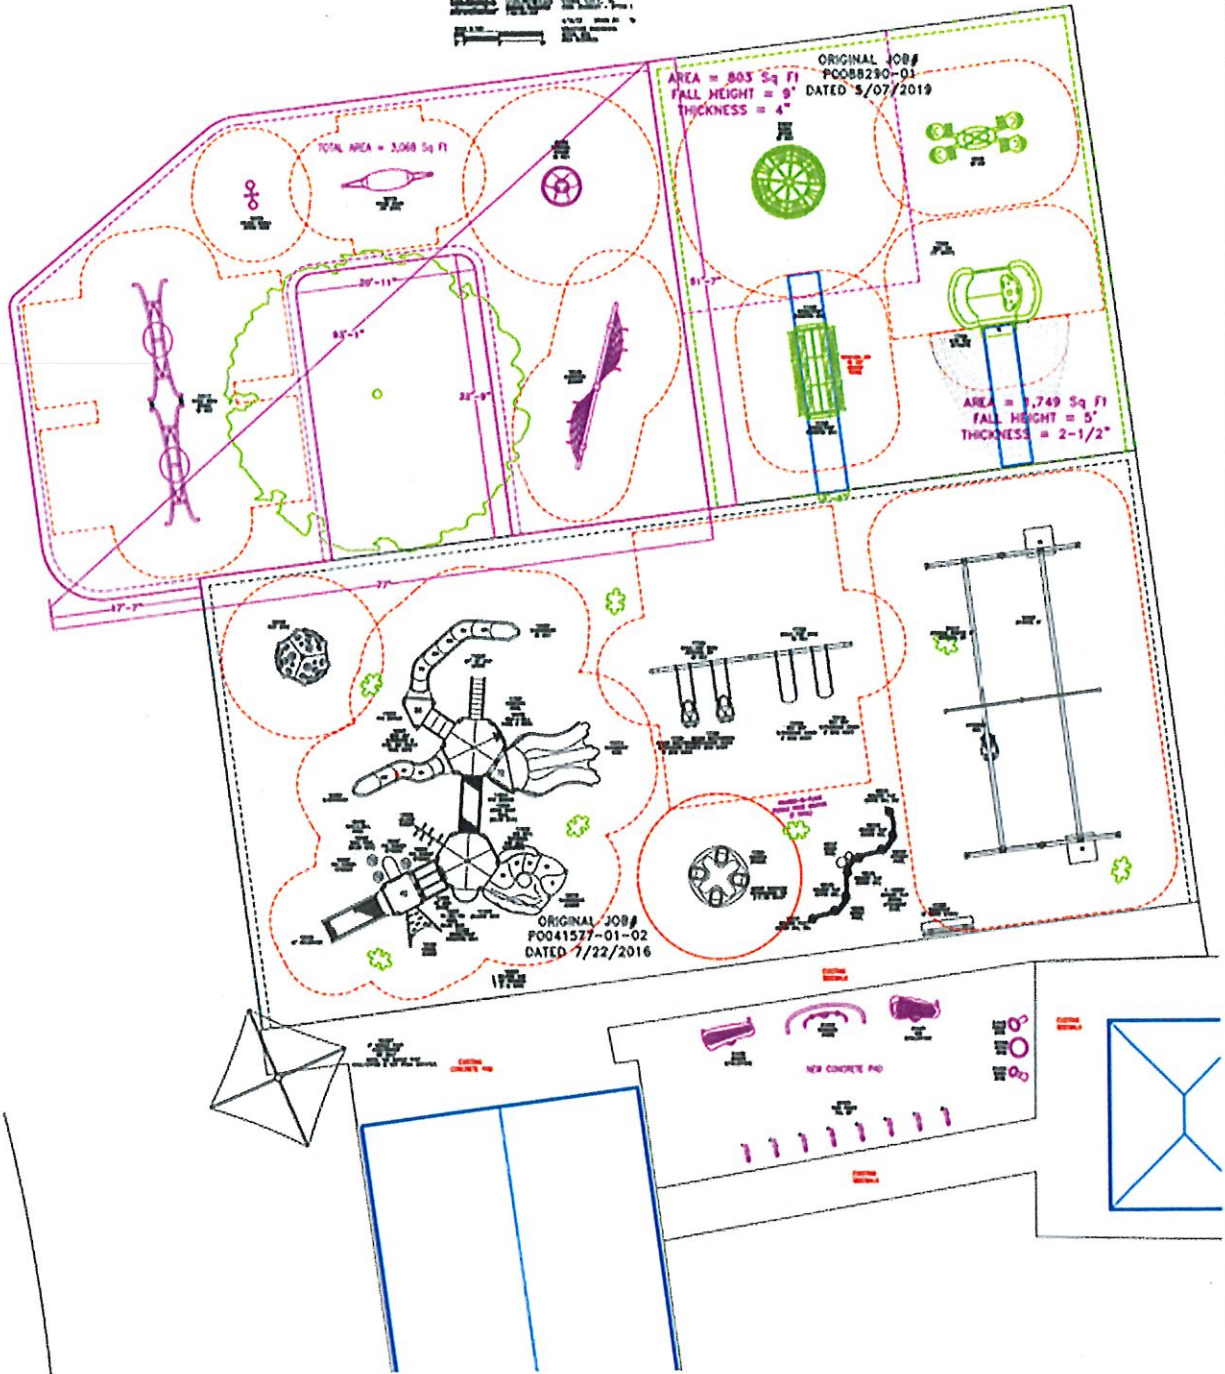

RE: FINAL PHASE OF THE HOPE HELPS ALL INCLUSIVE PLAYGROUND

Back in 2016, Coal City Parks cut the ribbon on the first phase of this all-inclusive playground, which was the first of its kind for our community. It has proved to be a popular attraction and sense of much pride. Hope Helps would like to unveil its plan to construct that final portion of this playground.

Much like has occurred in the past, they are hoping that Public Works would lend its capabilities to assist with excavation, placement of fill where necessary, construction of sidewalks and assistance during the community build day expected to take place in September. Attached are a number of diagrams showing what is expected in this last phase of construction. Upon its completion, Hope Helps would like the village's acceptance of the improvement and ensure the property is maintained and provided liability insurance so it may be enjoyed for years to come.

Recommendation:

Accept and Participate in the Final Phase of the Hope Helps All Inclusive Playground Construction Project.

For the past 13 years, Hope Helps has been a family run nonprofit organization serving Will and Grundy counties in IL. Our mission started when our founders, Robert & Brittney Kaluzny's, son, Robert David, was initially diagnosed with autism and sensory processing disorder in 2010. With nowhere local for them to turn, the Kaluzny's sought their family's involvement to create a group for families coping with autism. Hope Helps is dedicated to promoting local scholarships, research & advocacy for the needs of individuals diagnosed with autism and their families throughout Will and Grundy counties in IL as well as building & expanding all-inclusive playgrounds in our servicing area. Hope Helps began with offering advocacy within the schools and community as well as offering grants to families living with autism, but in 2011, board members watched Robert David playing at any all-inclusive playground; something he was never able to do prior. That's when the dream to build "Hope Helps All Inclusive Playground" began. After years of fundraising, we were able to build Phase 1 of Hope Helps All Inclusive Playground (HHAIP) in 2016 in Coal City, IL in an area the tornado of 2015 had destroyed the previous playground. Hope Helps board members and the families we serve had been dreaming of building a special needs, sensory playground within our servicing community--a safe and fun place for all kids; regardless of ability; to play and families to gather and we were able to accomplish this incredible feat! This space includes a place to play for physically or neurologically disabled children of all ages within their spectrum of abilities; from sensory wall and dome, high backed swings with harnesses, assisted zip line, boogie boards and more, along side of two traditional play structures. Keeping our special needs community inclusive within a neuro typical crowd. This phase was \$300,000.

In 2018, we announced plans for phase 2 and were thrilled that with the help of some major corporations and large donors, along with our annual fundraisers, we were able to build phase 2 in 2019 adding an additional 2,500 square feet of inclusive play with wheelchair swayfun, transferable teeter totter, spinning dome, and sensory tunnel again on a crushed rubber surface to keep those playing safe and accessible. This phase was nearly \$200,000.

In 2020, we knew it was time to complete the final phase at HHAIP and announced February 2, 2020. This phase includes numerous musical instruments so that we have auditory play, a few climbers for strength and coordination enhancement, double bouncing swings for proprioceptive help and an electronic memory game! The cost of this phase began at just shy of \$150,000 (however now with inflation we are at a cost of \$176,526). As you know, the world took a long pause starting in March of 2020 putting a halt to our fundraising efforts for phase 3. We spent much of 2020 and 2021 focusing on offering grants and aide to those families not only coping with autism, but now coping with autism without the supports of schools and therapy in place. We took a majority of our saved funds and granted families a little bit of hope, peace and support. In 2021, we were able to host our annual fundraiser 100% online; navigating this new world as best as we could. We were able to raise \$51,000 at this event with the help of an anonymous donor matching funds up to \$25,000. This entire fundraiser went toward our phase 3 funding. In 2022, we were back to focusing on the final phase and raised nearly \$19,000 with our dual online and in person fundraiser. Again this year, we are back to the grind this year trying our best to raise the funds to complete this project in 2023!! We will host our annual fundraiser March 29-April 1, 2022 both online and in person with hopes to raise \$50,000! This is a very large goal, but we know that we are up to the task and are hopeful for community and corporate help with this goal.

Hope Helps has been working hard to raise funds for this project but we have a long way to go. We need your financial help to make this dream a reality. This community project has a price tag of \$176,000 meaning we have about \$53,000 more to raise. This amount includes all the aforementioned equipment, community build weekend as well as a pulverized rubber ground covering; creating a flat surface suitable for wheelchairs, walkers and other needs to be able to join in on the fun!

We are looking for a sponsorship, not a handout! When we offer you the opportunity to be a sponsor with our organization, we are offering more than a place to hang your corporate logo. We will work with you to fully maximize all the community goodwill such a project can generate. Every press release, every interview, and every event is another opportunity for us to show our sincere gratitude to those who are willing to help us make this dream come true.

Hope Helps
C/O Brittney Kaluzny
P O Box 9
Coal City, IL 60416
815-791-4984

We have prepared a complete sponsorship package that includes a list of suggested donation amounts and various ways in which we can provide recognition. However, you are encouraged to tailor donation amounts and recognition levels to your own needs. Be creative! **Tell us how we can best fulfill your needs and earn your sponsorship!** Please join us and help bring to life this custom playground for our special needs community in Coal City as well as those traveling within our servicing community of Will and Grundy counties.

Community-built projects inspire everyone who participates with a sense of ownership, so much so, that these projects become a focus of community life. People have described our community builds as the experience of a lifetime. Families who helped build the playground have returned for picnics and bring out-of-town guests to share what the community accomplished together. We have families planting memorial trees, building memorial benches and ADA picnic tables at this space creating a full community space.

Please consider making this important investment in our future. This playground provides a safe and challenging place for children and our community to learn and grow! Because you're donating to Hope Helps, your contribution is tax deductible (EIN 45-0979408) and tax deduction receipts will be given for your records.

Once again, thank you for supporting our community. For more information on our organization and more playground designs, or if you have any questions, please feel free to contact me at 815-791-4984 or brittneykaluzny@gmail.com. Attached you will find a description of the equipment proposed for phase 3 with pictures and costs.

Who is Hope Helps: Hope Helps is comprised of 3 main officers and 6 board of directors (listed below). We serve Will and Grundy county; offering scholarships, advocacy assistance, and awareness. We hold fundraisers throughout the year to raise funds to offer scholarships to those on the spectrum in need of equipment to assist them in their everyday lives. We also advocate at schools for IEP meetings, speak at local support group meetings and corporate events about the importance of acceptance and volunteerism, and offer daily assistance/advice if needed. We currently have a group of over 2,500 followers on facebook and more on instagram who are active participants in our fundraisers and 'clients' for IEP cases. Due to the fact that we are non-profit and rely on donations to sustain our organization, our budget varies year to year. What money we raise each year, we return to the autism community through scholarships, advocacy, awareness and now playground.

MEETING

DATE: April 26, 2023

RE: VARIANCE FOR A CORNER SIDE YARD AT 110 E. THIRD STREET

Karen Radomski, the owner at the residence located at the northeast corner of Third Street and N. Kankakee Street would like to place fencing within the corner side yard at her home in addition to the fenced in sections that already exist within the rear yard. Although the fencing would be on the property boundary, it would still have a considerable setback from the roadway and the vision triangle due to the current location of the primary structure.

This variance was the subject of a public hearing at the last Zoning Board of Appeals Meeting on April 17th. No one aside from the petitioner appeared at the public hearing to speak regarding this issue. The Board considered this request and unanimously recommended its approval.

Recommendation:

Adopt Ordinance No. ____: Granting a Variance regarding the Placement of a Fence within the Corner Side Yard.

COAL CITY ZONING APPLICATION

Owners name or beneficiary of land trust: Karen Radomski

Address: 110 E. 3rd St. Coal City Phone number: 815 634-4399

ORDINANCE NO. _____

AN ORDINANCE GRANTING A VARIANCE TO THE ZONING CODE FOR THE LOCATION OF A FENCE WITHIN THE CORNER SIDE YARD OF 110 EAST THIRD STREET IN THE VILLAGE OF COAL CITY

WHEREAS, an application for variance from Section 156.171 of the Village of Coal City Zoning Code ("Zoning Code") was filed by Karen Radomski ("applicant") on March 30, 2023 for the placement of a 6 feet high fence; and

WHEREAS, Section 156.171(a)(2) states, "Fences shall be permitted in the rear or interior side yard..."; and

WHEREAS, a public hearing was noticed and duly held on April 17, 2023; and

WHEREAS, the Village of Coal City Planning and Zoning Board met on April 17, 2023, and considered passage of the variance request to the Board of Trustees; and

WHEREAS, Section 156.250 permits the Village Board to approve variations from the Zoning Code; and

WHEREAS, the Village Board of Trustees and the President of the Village of Coal City believe it is in the best interests of the Village to grant the requested variances.

NOW THEREFORE, BE IT ORDAINED by the President and Board of Trustees of the Village of Coal City, Grundy and Will Counties, Illinois, as follows:

Section 1. Recitals. The foregoing recitals shall be and are hereby incorporated into and made a part of this Ordinance as if fully set forth in this Section 1.

Section 2. Findings of Fact. The Board of Trustees find as follows concerning the Variance for 110 E. Third Street:

- A. **Special Circumstances Not Found Elsewhere.** The property is a corner lot and has a great deal of the open recreational area of the property contained within the corner side yard unlike a majority of the residential lots within the area.
- B. **Unnecessary Hardship.** Being unable to utilize such a large portion of the residential lot for recreational space would cause an unnecessary hardship since the erection of a fence according to the petition would not interfere with vehicular traffic at the adjacent intersection.

- C. **Necessary for Use of the Property.** Being adjacent to N. Kankakee Street, the use of a fence within the corner side yard shall allow safe enjoyment of the corner side yard without constant supervision.
- D. **Consistency with the Local Area and Comprehensive Plan.** Granting this variance is consistent with the principles provided in the Comprehensive Plan. The use shall stay residential and vision safety within the adjacent intersection shall be maintained.
- E. **Minimum Variance Recommended.** The petitioner has requested a variance to allow the construction to be behind the primary structure limiting the request to the yard adjacent to rear yard only.

Section 3. Description of the Property. The property is located at 110 East Third Street in the Village of Coal City within an RS-3 District.

Section 4. Public Hearing. A public hearing was advertised on April 1, 2023 in the Herald-News and held by the Planning and Zoning Board on April 17, 2023, at which time a majority of the Planning and Zoning Board members recommended passage of the Variance to the Board of Trustees.

Section 5. Variances. The variations requested in the March 30, 2023 Variance Application to the Zoning Code are granted as follows:

- A. A variance in conjunction with Section 156.171(a)(2) is hereby granted to allow the 6-ft. high fence as described by the applicant, to be installed within the corner side yard. This shall provide a 0'-foot setback (a variance of 25 feet).

Section 6. Conditions. The variances granted herein are contingent and subject to the following conditions:

- A. The fence shall be constructed in a manner consistent with the presentation to the Planning & Zoning Board and the Board of Trustees.

Section 7. Severability. In the event a court of competent jurisdiction finds this ordinance or any provision hereof to be invalid or unenforceable as applied, such finding shall not affect the validity of the remaining provisions of this ordinance and the application thereof to the greatest extent permitted by law.

**AN ORDINANCE GRANTING A VARIANCE TO THE ZONING CODE FOR THE LOCATION OF A
FENCE WITHIN THE CORNER SIDE YARD OF 110 EAST THIRD STREET IN THE VILLAGE OF
COAL CITY**

Section 8. Repeal and Savings Clause. All ordinances or parts of ordinances in conflict herewith are hereby repealed; provided, however, that nothing herein contained shall affect any rights, actions, or causes of action which shall have accrued to the Village of Coal City prior to the effective date of this ordinance.

Section 9. Effectiveness. This ordinance shall be in full force and effect from and after passage, approval and publication in pamphlet form as provided by law.

SO ORDAINED this _____ day of _____, 2023, at Coal City, Grundy & Will Counties, Illinois.

RE: INSTRUCTIONS FOR HIRING A NEW POLICE OFFICER

The Board customarily sends formal notification to the Board of Fire & Police Commissioners informing them of the vacancy and requesting the vacancy to be filled with another candidate from the village's new officer pool of candidates. Such letter has been prepared and attached. This time the letter has a slightly different appearance.

Usually the Board of Fire & Police Commissioners is provided notice prior to presenting a candidate to be selected for training and being sworn in. In this most recent instance, the Chair of that Board was informed to prepare two candidates at the same time. The March 22nd notice had informed the Board of the need for a new candidate and the new fiscal year's budget included an additional officer. For that purpose, it was expressed they should prepare two candidates for the Board to align with the upcoming two spots that had been reserved well in advance for training new recruits.

The official letter this time just falls at the same time as the new candidate being sworn in due to the Village Board's Regular Meeting schedule and the desire to the village's newest employee through proper certified training.

Recommendation:

Instruct the Board of Fire & Police Commissioners of the need to appoint a new candidate to fill and available vacancy within the Police Department.

April 26, 2023

Mr. Mike LaReau
Board of Police Commissioners

RE: HIRING OF ADDITIONAL FULL-TIME OFFICER

Dear Mr. LaReau:

Thank you for your diligence and working with the Police Department to hire an additional full-time officer. The Village Board traditionally informs the Board of Police & Fire Commissioners of an opening and the need to hire any additional officers. Due to the timing of the available training positions within the State of Illinois, it was requested of the Village Administrator that two officers be hired for the available May training positions. The first officer, for which an official notice was provided at the March 22, 2023 Regular Board Meeting and a second who was included within the upcoming FY24 operational budget.

Thank you for fulfilling the current necessity to hire an additional officer. Due to the two selected patrol officer candidates having been sworn in this evening, the current open positions have been filled. Thank you so much for your effort and attention to details in these matters.

Sincerely,

Terry Halliday
Mayor

Village Administrator

MEETING

DATE: April 26, 2023

RE: PURCHASE OF REPLACEMENT ADMIN VEHICLE IN PD

The upcoming FY24 budget included a new administration vehicle for the Police Department, which was envisioned to be a used vehicle in order to save some upfront cost, but allow the older administration vehicle to be no longer utilized.

The requested vehicle is a used 2020 Ford Explorer with 37,000 miles to be provided by D'Orazio Ford. The dealership shall provide the vehicle to the Coal City PD at \$32,000, which is slightly below its current resale value, but the dealership would like to provide a premium gold warranty that would last 9 years or 125,000 miles and the replacement tire and wheel package with premium maintenance for the same extended period.

Chief Harseim would migrate the current Chief vehicle to Sergeant Clark and that vehicle would be prepared for resale and surplus.

Recommendation:

Authorize the Purchase of a 2020 Ford Explorer for the Police Department from D'Orazio Ford.
