Christopher R. Harseim, *Chief of Police*

January 5, 2024

To: Mayor Spesia and the Village Board

Please accept my recommendation of Michael T. Imhof as the department's next patrol officer who is prepared to be appointed to the rank of Sergeant. Due to the Board of Fire and Police Commissioners establishment of a Sergeants Eligibility List on December 18, 2023 and in following the method for selection of a Sergeant candidate according to 65 ILCS 5/10-2.1-15, Mr. Imhof should be selected from the officers within the Coal City Police Department at this time.

RE: APPOINTMENT OF THE VILLAGE TREASURER

Due to some recent retirements within village hall some restructuring occurred and the position of Treasurer has remained open since the beginning of this fiscal year. Mayor Spesia has found Leanne Vota, a resident of Coal City who would like to serve and be appointed in this capacity. This appointment shall run along with the fiscal year with the current one ending on April 30, 2024.

Leanne graduated from the University of St. Francis with a Bachelor of Arts in Mathematics with an actuarial science concentration and prides herself on her analytical skills, great attention to detail, and ability to surmount challenges.

Recommendation:

Confirm Mayor Spesia's candidate, Leanne Vota for Village Treasurer.

**RE: GRANTING A VARIANCE AT 910 E. JESSE COURT FOR THE
PLACEMENT OF A FENCE WITHIN THE REAR YARD SETBACK**

Chris Collier, the owner of a residence on the north side of the cul de sac at Jesse Court in Meadow Estates that is a through lot, would like a newly installed fence along Richards to possess a setback of 12'6" from the rear boundary of the property as opposed to the 25' setback requirement. A detached garage was properly constructed within the required setback previously, but the homeowner would like to fence in more of his rear yard by placing the fence closer to Richards and fencing the detached garage within the fenced in yard as well. To do so requires a variance from the prescribed rear yard setbacks contained within the code.

No one aside from the petitioner appeared at the public hearing in regards to speaking on the matter of granting the variance. The members of the Zoning Board of Appeals unanimously voted to positively recommend the request to the Board of Trustees for adoption.

Recommendation:

Adopt Ordinance No. ____: Granting a Rear Yard Setback at 910 E. Jesse Court for the Placement of a Fence along Richards Street.

ORDINANCE NO. _____

**AN ORDINANCE GRANTING A VARIANCE TO THE ZONING CODE FOR THE
LOCATION OF A FENCE WITHIN THE REAR YARD SETBACK AT 910 E. JESSE
COURT IN THE VILLAGE OF COAL CITY**

WHEREAS, an application for variance from Section 156.73 of the Village of Coal City Zoning Code (“Zoning Code”) was filed by Chris Collier (“applicant”) on November 20, 2023 for the placement of a 6’ high cedar fence; and

WHEREAS, Section 156.73 requires adherence to the minimum rear yard setback provided within Table 4 of 25 feet; and

WHEREAS, a public hearing was noticed and duly held on January 2, 2024; and

WHEREAS, the Village of Coal City Planning and Zoning Board met on January 2, 2024, and considered passage of the variance request to the Board of Trustees; and

WHEREAS, Section 156.250 permits the Village Board to approve variations from the Zoning Code; and

WHEREAS, the Village Board of Trustees and the President of the Village of Coal City believe it is in the best interests of the Village to grant the requested variances.

NOW THEREFORE, BE IT ORDAINED by the President and Board of Trustees of the Village of Coal City, Grundy and Will Counties, Illinois, as follows:

Section 1. Recitals. The foregoing recitals shall be and are hereby incorporated into and made a part of this Ordinance as if fully set forth in this Section 1.

Section 2. Findings of Fact. The Board of Trustees find as follows concerning the Variance for 910 E. Jesse Court:

- A. **Special Circumstances Not Found Elsewhere.** The petitioner’s yard contains a through lot at 910 E. Jesse Court resulting in a portion of the rear yard aligning with the front yards of adjacent residence along Richards Road.
- B. **Consistent with Rights Conferred by the District.** This variance is necessary to preserve a substantial property right possessed by other properties within the same zoning district.

- C. **Necessary for Use of the Property.** Failure to adopt the petitioner's variance request shall deprive the applicant the use of the property in a manner equivalent to the use permitted by other owners of property in a manner equivalent to the use permitted by other owners of property in the immediate area.
- D. **Minimum Variance Recommended.** The requested variance shall maintain a 12.5' setback from the rear boundary line rather than placing the fence in a manner that would place the entirety of the rear yard within the fence improvement.

Section 3. Description of the Property. The property is located at 910 E. Jesse Court in the Village of Coal City within an RS-3 District.

Section 4. Public Hearing. A public hearing was advertised on December 6, 2023 in the Coal City Courier and held by the Planning and Zoning Board on January 2, 2024, at which time a majority of the Planning and Zoning Board members recommended passage of the Variance to the Board of Trustees.

Section 5. Variances. The variations requested in the November 20, 2023 Variance Application to the Zoning Code is granted to allow a 12.5' setback within the rear yard for the construction of a 6' high cedar fence to be placed within the rear yard.

Section 6. Conditions. The variance granted herein is contingent and subject to the its construction being consistent with the presentation to the Planning & Zoning Board and the Board of Trustees.

Section 7. Severability. In the event a court of competent jurisdiction finds this ordinance or any provision hereof to be invalid or unenforceable as applied, such finding shall not affect the validity of the remaining provisions of this ordinance and the application thereof to the greatest extent permitted by law.

**AN ORDINANCE GRANTING A VARIANCE TO THE ZONING CODE FOR THE LOCATION OF A
FENCE WITHIN THE REAR YARD SETBACK AT 910 E. JESSE COURT IN
THE VILLAGE OF COAL CITY**

Section 8. Repeal and Savings Clause. All ordinances or parts of ordinances in conflict herewith are hereby repealed; provided, however, that nothing herein contained shall affect any rights, actions, or causes of action which shall have accrued to the Village of Coal City prior to the effective date of this ordinance.

Section 9. Effectiveness. This ordinance shall be in full force and effect from and after passage, approval and publication in pamphlet form as provided by law.

RE: NEW ELECTRICAL UTILITY DROP FOR THE EXPANDED WATER TREATMENT CAPACITY

D Construction, who is the general contractor for the water treatment plant expansion project has been working with staff on the improvements to take place in the upcoming year on this approved construction project. A specific improvement to the plan design involves entering into contract with ComEd to get its service drop run underground from the existing pole line along the west side of N. Broadway underground the roadway and onto the Public Works property into a designated pad alongside the future expanded building space.

Adding this improvement to the project will ensure there is not a simple overhead supply drop from the existing pole and ensure that ComEd is responsible for its power supply all of the way from the neighborhood transmission lines to the water treatment plant. This improvement comes along with an upfront cost of \$5,089.05 to complete the necessary work and ComEd enters into the transaction via an agreement which must be endorsed by Mayor Spesia.

This expense can go into the overall planned expenditure for which the village is utilizing IEPA low interest loans to provide the upfront funding to pay for this expansion and its necessary costs.

Recommendation:

Authorize Mayor Spesia to enter into a Customer Work Agreement with ComEd to provide the necessary utility power supply drop to Coal City Public Works.

CUSTOMER WORK AGREEMENT

PL#: 532342

CWA#: SJ230856 R:0000

Date: 11/27/2023

VILLAGE OF COAL CITY ("Customer") and ComEd ("Company") agree that the Company will furnish at the Customer's expense the labor and materials necessary to do the work for the Customer on or adjacent to the Customer's premises at 830 N BROADWAY ST, WATER PLANT, COAL CITY, IL 60416, described below.

CUSTOMER WORK AGREEMENT - CUSTOMER WORK ORDER

ADVANCED DEPOSIT	\$5,089.05
TOTAL CUSTOMER CHARGE	\$5,089.05

The Customer agrees to pay to the Company the sum of \$5,089.05, payment in full due prior to beginning of Company work.

The charges listed in this contract are for performing the work identified herein under normal field conditions. If abnormal field conditions are encountered and additional labor and materials are required to complete the work, or if the scope of work is altered, ComEd reserves the right to collect, and the owner agrees to pay, additional money to cover the increased costs.

The sketch, if any, attached hereto is hereby made a part of this Agreement and expressly designates ownership of the facilities referred to.

The Total Customer Charge reflects the scope of work described in this Customer Work Agreement that will be performed by the Company. This does not include charges for the relocation or removal of equipment owned by others, such as cable television or communication companies, that are attached to the Company's poles. It is the Customer's responsibility to contact these other companies to schedule the relocation or removal of their equipment from the poles. These companies will bill the Customer separately for the work they must perform.

Work will be done during the Company's regular working hours, unless otherwise specified.

This Agreement shall be void if not accepted by the Customer within thirty days from date submitted.

Transformers and metering equipment installed in conjunction with this work, shall in all cases, remain the property of the Company.

In the event the work covered by this Agreement cannot be completed within one year from the above date as a result of delays on the part of the Customer or because the Company has been denied access to the premises, the charge to the Customer shall be recomputed based on the level of costs prevailing at the time of completion of the work as stipulated in the Company's General Company Order No. 25.

This agreement is subject to the provisions of the Company's Schedule of Rates and Information and Requirements for Electric Services as on file with the Illinois Commerce Commission.

**RE: AWARDING THE WATER MAIN REPLACEMENT PROJECT TO
BRANDT EXCAVATING**

Attached is the recommendation to have Brandt Excavating, Inc. complete the water main replacement project that will utilize ARP funds to replace key infrastructure that has been in need of replacement for a long period of time. The purpose of this project is to replace old portions of water main that have repeatedly leaked and been repaired over the last 10-15 years with current day water main. These portions will complete portions of the neighborhood infrastructure that had not been previously replaced and ensure greater reliability for Coal City residents.

Please note, although the current estimate for this project is \$403,488.11, it is expected that one more portion will be added due to the village having been selected for lead service repair; this upcoming project will afford the opportunity to abandon one more portion of water main along the east side of S. Broadway to complete some additional work at the time the Spring Road portion is being completed.

At this time, please accept the bids as presented, but know that Chamlin will begin to work with Brandt Excavating in order to utilize the unit bid prices to add an additional crossing to S. Broadway. This additional work would be completed with a future change order.

Recommendation:

Award the 2024 Water Main Replacement Project to Brandt Excavating, Inc. at the lowest responsive bid cost of \$403,488.11.
