**RE: PERMANENT LANGUAGE INCORPORATING BAN ON TOBACCO STORES WITHIN COAL CITY**

Back in February, the Board adopted a moratorium on any additional tobacco or vape shops, which wanted to locate within Coal City. Since that time, there were two occasions upon which the interested parties were informed they could not utilize the property in that manner. Disallowing their occupancy at existing retail within Coal City was not detrimental and a permanent text amendment is in order to ensure this formerly permitted use can no longer occur by right within commercially zoned areas of the village.

The Zoning Board of Appeals is conducting a public hearing on Monday evening at which time, the measure will likely be positively recommended for adoption in time for the Board Meeting on Wednesday evening.

**Recommendation:**

Adopt Ordinance No. 24-23: Adopting a Tobacco Shop Ban within the Village of Coal City.

ORDINANCE NO. \_\_\_\_\_

**AN ORDINANCE AMENDING THE ZONING CODE TO ELIMINATE TOBACCO SHOPS AS A PRIMARY PERMITTED USE IN THE C-3 ZONING DISTRICT**

**WHEREAS**, the Village of Coal City (hereinafter, the “*Village*”) is an Illinois municipal corporation organized and operated under the laws of the State of Illinois; and

**WHEREAS**, the Village is a non-home rule municipality and, as such, may exercise delegated statutory and Constitutional powers and such powers as are necessarily implied therefrom; and

**WHEREAS**, pursuant to 65 ILCS 5/11-13-1 *et seq.*, the Village has enacted zoning regulations to classify and regulate competing land uses and have codified such regulations in Chapter 156 of the Village Code (the “*Zoning Code*”); and

**WHEREAS**, the Village defines, regulates, licenses and zones tobacco shops; and

**WHEREAS**, in response to a recent proliferation of tobacco shops and prospective tobacco shops in the Village, the Village Board recently defined “tobacco shops” to distinguish between retailers whose primary stock-and-trade involves the sale of nicotine and alternative nicotine products and those retailers who incidentally sell such goods as a fractional part of their overall inventory; and

**WHEREAS**, tobacco shops were permitted uses in the C-3 zoning district until the Village Board adopted a temporary moratorium on the establishment of new tobacco shops via Ordinance 24-04, adopted on February 28, 2024; and

**WHEREAS**, the Village President and Board of Trustees (the “*Corporate Authorities*”) of the Village have determined that the externalities associated with tobacco shops and their deleterious impact on the public health, safety, comfort, morals and welfare outweigh the

economic benefits associated with the opening of new tobacco shops and wish to protect the vitality and character of development in the Village; and

**WHEREAS**, the Corporate Authorities have determined that eliminating tobacco shops as a primary use of property will promote and enhance the public health, safety, and welfare of the Village and its residents; and

**WHEREAS**, the Village Board and Zoning Board of Appeals found it to be desirable to disallow future standalone tobacco shop businesses and only allow existing tobacco shops to continue as a legal nonconforming use or for retailers desiring to sell tobacco products to incorporate such sales into part of a distinct primary use not revolving around the sale and use of nicotine and alternative nicotine products and paraphernalia; and

**WHEREAS**, in accordance with Sections 156-27(E)(1)(a), 156-271, and 156-313(A)(1)(a) of the Zoning Code, the Proposed Amendment to the Zoning Code was referred to the Zoning Board of Appeals (“**ZBA**”) for a public hearing and recommendation thereon; and,

**WHEREAS**, pursuant to notice duly published, the ZBA conducted a public hearing on October 7, 2024, for the purpose of hearing and considering testimony on the Proposed Amendment; and

**WHEREAS**, at the conclusion of the public hearing, the ZBA recommended that the Village Board adopt the Proposed Amendment by a vote of     ; and

**WHEREAS**, following deliberation on the evidence and testimony elicited during the public hearing the Zoning Board of Appeals has considered and recommended approval of the proposed text amendment, pursuant to those written findings of fact contained in the ZBA’s Findings of Fact and Recommendation attached hereto as **Exhibit A** and made part of this ordinance by this reference; and

**WHEREAS**, to prevent long-term or irreversible changes in the character of the commercial areas of the Village, the Corporate Authorities hereby find and determine that it is necessary and in the best interests of the Village and its residents to eliminate tobacco shops as primary uses in the Village; and

**WHEREAS**, the President and the Board of Trustees of the Village have determined that it is the best interest of the health, safety, and welfare of the Village and its residents to amend the Zoning Code as set forth herein; and

**WHEREAS**, the President and Board of Trustees have considered the recommendation of the ZBA and determined that it is in furtherance of the public health, safety and welfare and in the best interests of the Village and its residents to approve the amendment as set forth in this Ordinance.

**NOW, THEREFORE, BE IT ORDAINED by the President and Board of Trustees of the Village of Coal City, Counties of Will and Grundy, Illinois, as follows:**

**RE: PURCHASE OF THE LIONS CLUB DETACHED GARAGE**

The Village has been working with its local Coal City Baseball & Softball organizations in order to rehabilitate and restore some of the storage and structures associated with these leagues. Much like Lions Hall, all of these structures stand upon land that owned by the Village of Coal City. Due to a kind donation of a mini-tractor that was provided to Coal City Softball, the group requested the ability to build a new structure near one of its softball fields. This was in addition to other projects for which the Board has supported contributions for ½ of the total rehabilitation costs for each of these organizations.

Due to an existing detached structure that was constructed by the Lions Club which had been home for decades to the Lions Club float, which has been absent for about a decade at this point, Coal City Lions were approached to gauge their interest in the detached

structure being acquired since its cost of construction would be much less should the existing unit be purchased rather than finding a new location and constructing yet another detached storage structure elsewhere within the immediate vicinity. Lions Club President, Dennis Wills stated they would consider such a purchase and provided a price. The detached structure was examined by staff and I provided a few different methods for depreciating the asset to determine

if the asking price was fair. Although there will need to be additional expenditures for siding and roofing improvements, the acquisition of this unit was agreed to for \$10,200.

Village Attorney, Mark Heinle has prepared the necessary paperwork in order for the village to purchase this existing unit outright from the Lions Club. Coal City Public Works will be able to keep a bit of equipment within the newly acquired unit as well. Attached is a Resolution along with a Bill of Sale in order to close upon acquiring the structure.

**Recommendation:**

Adopt Resolution No. 24-09: Approving the Acquisition of the Lions Club Detached Garage.

**RE: ADDING T MOBILE PHONES FOR SQUAD CAR PATROL**

At a recent September 5<sup>th</sup> Public Health & Safety Committee Meeting, the concept of acquiring 6 T Mobile phones was discussed, which would assist with officers to track information and place calls while on duty, but not within the departmental office. This is especially helpful in allowing photos to be separated from officers' personal phones and allowing patrol officers to place calls from mobile units that simply state "Coal City PD" on the caller ID rather than each officer's personal number being made available to whomever receives the call. This is also a helpful tool for the management of subpoenas related to lawsuits of impending investigations, etc.

T Mobile has a promotion for public safety agencies in which they would provide free Samsung Galaxy A15 (5G) units. The Rate Plan is a special priority discount rate - Connecting Heroes Select (GCONFR21) with a monthly price of \$25 per line. Coal City would receive a discount reducing the plan to \$21 per line which equals \$126.00 per month. On the current warrant list, this monthly fee is only \$83.46 because it was prorated for this month. This item will be a reoccurring for future budgeting purposes.

Following the recommendation of the committee, Chief acquired the units, had them tested throughout the community and just recently had them turned on so patrol can begin utilizing this equipment. There are only 6 units because they will be utilized within the "go bags" for each shift rather than having units assigned to specific employees.

**Recommendation:**

Authorize the utilization of T Mobile phones for Police patrol operations.
