RE: CONTRACT FOR THE DUELING PIANO PLAYERS

The Village's Parks Board has created a slate of events for the upcoming summer including the Felix & Fingers Dueling Pianos in the evening of Saturday, July 30th. This event will take place at Campbell Memorial Park. To offset the cost of this year's events, Exelon has decided upon providing a grant of \$4,600 towards the cost of entertainment at these events.

In order to secure the entertainment for that evening, the Board must authorize Mayor Halliday to enter into a contract with the performers. The contract shall require a deposit of \$900. The remainder of the \$2,750 contract (\$1,850) will be provided that evening after the performance.

Recommendation:

Authorize Mayor Halliday to enter into a contract for service with the performer Felix & Fingers.

1. About This Contract

1.1 Contract Specifications

These contract Terms and Conditions apply to the Contract Specifications for:

Client: _____ Event Date: 7/30/16 Time: approx. 7:30p-10:00p Location: Coal City, IL

Deposit Amount: \$ 900 Due Date: 4/6/16 Total Price (including deposit) \$ 2,750

Contracted Performer: Felix & Fingers Dueling Pianos (Company Members) for Community Event.

Additional Terms: Sound & lights supplied by F&F Performers.

Client provides (2) meals for performers.

1.2 Parties and Definitions

This contract constitutes an agreement between M.J. Productions (musical entertainment provider), hereinafter referred to as "MJP", and the authorized purchaser of MJP musical services, hereinafter referred to as "Client."

1.3 Services

By signing this contract and paying MJP the deposit amount indicated in the Contract Specifications, Client engages MJP to provide Client with entertainment services as specified in the Contract Specifications.

1.4 Contract basis

This contract is binding on both parties, and supersedes all prior written and/or oral representations, understandings, and contracts. This contract cannot be altered or changed unless agreed to in writing by both parties. If any portion(s) of this contract is found to be invalid, the remainder shall not be affected.

1.5 Service Changes, Rescheduling, Venue Changes

If Client requests changes in services, event date or schedule, and/or change of venue after Client has submitted this signed contract with deposit payment, MJP will attempt to accommodate the requested changes. However, any change is subject to the availability of MJP performers, MJP policies, and MJP capabilities. MJP reserves the right to reject such requests. Client may be in breach of contract by committing to any change that alters the specifications, terms, and/or conditions of this contract without written agreement with MJP.

1.6 Transfer

This contract may not be transferred to any other entertainment provider other than MJP or any other entertainment purchaser other than the assigned Client.

1.7 Terms

After this contract has been signed by both parties and Client has paid deposit amount indicated in the Contract Specifications, this contract is in force until the end of the contracted event, and until all payable amounts have been received in full by MJP.

1.8 Breach Policy

Notwithstanding the fact that client has breached any part of this contract, MJP will be paid in full.

2. Payments

2.1 Advance Deposit

An advance deposit of the amount designated in the Contract Specifications (1.1) is required to reserve MJP for Client's event.

This contract between MJP and the client shall not become effective until it is signed and the initial amount due has been paid. At the time the contract takes effect, MJP shall reserve the date and time agreed upon, and not make any other conflicting reservations or accept any other clients for said date and time (beyond the player limitations of the company). For this reason, in the event that the client cancels the contract for any reason, all monies paid shall be retained by MJP in order to offset its loss of business.

At the time of the event, MJP will apply the deposit amount toward the event's full contract price. Prior to this time, the deposit serves as consideration for MJP reserving the date and performer(s).

MJ Productions Inc • 6012 Highland Lane • Lakewood, IL 60014 • Info@FelixandFingers.com • 815.245.3623

Exceptions to The Above Refund Schedule MJP will refund to Client all amounts paid over and above the deposit in the following circumstances:

- Client cancels event due to verifiable death of an immediate family member (Weddings and Private (non corporate/fundraising) Events only)
- Event cannot proceed due to a catastrophic event such as war, fire, riots, hurricane, tornado, substantial rain/flood, or acts of God beyond the control of Client and/or MJP (Refund schedule will become void the moment MJP departs for booking).
- If no deposit is due prior to event date, then a cancellation fee of \$100 will apply if cancelled outside of 7 days of event (full contracted price will apply if within the 7 days).

3.3 Weather related cancellations

If an event is cancelled due to a forecasted weather condition that endangers guests, the following terms and conditions will apply:

- a. If cancelled, by the client, 24 hours in advance or before the performers have begun travelling to the venue, any balance above the deposit will be waived. The deposit will be retained by MJP.
- b. If cancelled, by the client, after the performers have begun travelling and notified the client of departure, the full balance will be due to MJP within 5 business days of the scheduled event date.
- c. If the event is not cancelled but the performers are unable to arrive to the venue due to un-safe conditions, road closures, substantial traffic delays, etc., the full contracted balance will still be due if the performers attempt to travel. Every reasonable attempt will be made by the performers to arrive on schedule, including reasonable additional travel time. If the conditions are prohibitive after performers' best efforts, MJP will attempt to locate alternate entertainment options for the Client, and if located, will renegotiate terms for the replacement act.

3.4 Booking Guarantee

Client has the option to void contract after execution, without penalty, monetary or otherwise, and recoup the full deposit and additional payments, if all of the below conditions are met:

- a. Client offers 24 hour notice to MJP about intentions to attend an event.
- b. Client attends the intended (per 3.4a) public Felix and Fingers Dueling Pianos performance
- c. Client speaks directly with and introduces him or herself to at least one of the performing dueling pianists.
- d. Cancellation request is submitted in writing (email is acceptable) within 2 months of client signing the contract.

4. Event Termination or Interruption

4.1 Venue/Facility Conditions

If upon arrival or at any time during the event, the venue's physical and/or electrical conditions do not adequately support MJP's performance requirements, or the space is not available for the required load-in and setup time through no fault of MJP and its performer(s) and personnel, MJP is not responsible for any delays or interruptions of its performance services. While MJP will make every effort to resolve such situations, Client will still be responsible for the full contract price contained herein.

4.2 Premature Event Termination

If Client's event is discontinued or cancelled after it has already begun, but prior to its scheduled end, due to any circumstance (whether voluntarily, by Client direction, or due to weather, accident, act of God, insufficient guest participation, civil disobedience, citation, order of any public authority) that is not the direct result of MJP's failure, inability, or unwillingness to deliver the services agreed to in this contract, such termination shall be deemed premature event termination. In such case, all payments received to date will be non-refundable and non-recoverable, and any remaining balances will be due and payable in full.

4.3 Event Interruption or Delayed Start

If event is interrupted or start time is delayed during the contracted time period for any reasons not the direct result of MJP's failure, inability, or unwillingness to deliver the services agreed to in this contract, MJP is not responsible to make up the lost time, and is only obligated to perform its contracted services up to the contracted event end time.

5. Performance Provisions

5.1 Song Selections

MJP will make every effort to accommodate Client's specific song requests and general song style directions. However, MJP is only obligated to perform songs that are critical to the event (e.g. scheduled wedding ceremony music, bride/groom first dance, special pre-arranged commemorative songs), and that, prior to the event, MJP has agreed to perform. MJP must provide ample notice to Client if MJP is unable to perform any such critical song, and will work with Client to identify a suitable replacement if possible.

MJP requires at least two weeks notice per requested song in order to perform at MJP standards. MJP will incorporate non-critical song requests requested by Client prior to the event subject to the performer's discretion. Song requests made during the event should be communicated directly to the performer/band leader, and are subject to the performer's discretion.

Deposit refunds are subject to the terms in this document's Cancellation section. Payments must be made according to the Payment Methods indicated below.

Deposit Due Date: If MJP does not receive the required deposit amount by the deposit due date, Client releases MJP from any obligations to hold the date, and this contract is null and void unless MJP extends the deposit due date in writing.

Deposit Returns: If MJP receives Client's deposit payment after the deposit due date, and MJP has notified Client previously that MJP will not contract with Client, MJP will refund to Client any deposit payment received.

Deposit Transfer: If the event is postponed and rescheduled for a date within 12 months of the original contract event date, MJP may transfer and apply any advance deposit amount(s) received from Client to the rescheduled event contract.

2.2 Balance Due

The balance due is the amount remaining from the full contract price after Client has paid MJP an advance deposit. This balance due must be paid in full to MJP any time **before the day of the event**, and is subject to the late payment charges indicated in this document if circumstances necessitate a fee. Payments can only be accepted by Michael Potts or Jessica Potts, and may **not** be paid to the players directly.

2.3 Payment Methods

MJP accepts all payments of: Cash, Check, Credit Card (3.5% surcharge), and Bank Transfer. Checks can be made out/sent to:

**MJ Productions Inc
6012 Highland Ln
Lakewood IL 60014**

2.4 Overtime Charges

MJP performances beyond the duration indicated in the Contract Specifications, are subject to the specified overtime charge. Overtime is billed in 30-minute increments. Overtime charges are due upon completion of MJP's performance obligations and must be paid to the performer/band leader at the event venue, unless Client has made previous arrangements in writing with MJP. Overtime is charged at \$75 per 30 minutes per musician.

2.5 Late Payment Charges

Any past due charges outstanding to MJP will accrue late fees of 2% of the payable amount(s) per month or any part thereof following the due date. Client will also be responsible for any costs, fees, or expenses born by MJP in the recovery of the outstanding charges, including legal fees, court costs, collection costs, travel costs, telephone costs, or any other applicable expenses.

2.6 Returned Checks

MJP will assess Client a \$25 fee for any check returned unpaid due to insufficient funds. MJP also reserves the right to rescind this contract or restrict allowable payment methods if a deposit check is returned unpaid.

3. Event Cancellation

By signing this contract and paying the deposit amount to MJP, Client understands that MJP will reserve the musicians and performers for the event, and turn away inquiries from other prospective Clients for that date. Client also understands that MJP's ability to rebook a cancelled date becomes progressively more difficult the closer the cancellation date is to the event date.

3.1 Notice

Client must give notice in writing to MJP for any event cancellation.

3.2 Refunds

Client-initiated event cancellation after Client has signed and returned this contract with a deposit payment voids this contract. If Client cancels, MJP will refund Client any payments made according to the following schedule:

REFUND SCHEDULE

Cancellation-Notice Refund to Client

More than 180 days before event date MJP refunds all amounts paid to date minus a \$100 service fee.

61-180 days before event date

- If MJP is able to rebook the date by 60 days prior to the event date, MJP will then refund 50% of the deposit amount. • If MJP is not able to rebook the date by 60 days prior to the event date, MJP retains 100% of the deposit amount.

- MJP will also refund in full any other payments Client has made toward the full contract price above and beyond the deposit amount.

31-60 days before event date

- MJP retains 100% of the deposit amount

- In addition, Client must pay an additional penalty amounting to 15% of the full contract price.

0-30 days before event date

- MJP retains 100% of the deposit amount

- Client must pay the entire balance due of the full contract price

RE: ELECTRIC AGGREGATION UPDATE

The Village's residents voted upon the authority to allow for the aggregation of everyone's residential account into one larger block to attain lower electricity supply costs. Since the community positively adopted this cost-saving option, a resident was required to opt out in order to avoid their account being aggregated into the larger block of accounts that was bid out by an aggregation group facilitated by the Will County Governmental League. Residents have the ability to remove oneself from the aggregate group at any time, if they choose.

Although residents have saved a substantial amount of money through participation in this

program, cumulatively across all of the communities – nearly \$30 million, the price from ComEd has currently dipped lower than the long-term fixed rate guaranteed by the Village's supplier, Homefield.

At this time, the ComEd rate is slightly lower resulting in Coal City's residents paying a higher fee than what is

supplied by ComEd. This information is provided to remind residents of their capacity to opt otherwise and ensure they know the long-term implications of participation is renewed savings once the ComEd rates increase again. If a resident desires to switch back, they may do so to ComEd by calling 1-800-EDISON-1.

Attached is the WCGL Press Release of 2014 when the aggregation group selected Homefield Energy. This information carries the participating communities and the current locked rate.

For Immediate Release

Will County Communities Select New Electricity Supplier

July 29th, 2014 Joliet, Illinois

The 17 municipalities of the Will Electric Aggregation Group have selected Homefield Energy as the new electric supplier for their communities. This is a renewal of the current WEAG program that began in 2012 and has saved residents over \$25.5 million to date. The WEAG communities represent just over 323,000 residents. The WEAG has negotiated a 36 month rate that averages \$.06950/ kwh (\$.06996/kWh for the first 24 months and \$.06850 for months 24-36) on behalf of its residents and small businesses. When compared to the Commonwealth Edison rate of \$.0742 / kwh this represents a 6.5% savings on the supply of electricity. Additionally, there are no early termination fees associated with this program.

In the next few weeks, eligible residential and small businesses customers will receive a notice from their municipality and Homefield Energy which will state the offer and provide instructions for opting-out of the program. Customers wishing to participate in the program will not need to take any action to be included. Customers who desire to opt-out will be able to do so with no penalty for a 21-day period following postmark of the notice.

Residents and small businesses may receive solicitations from other suppliers over the next few weeks to switch their account. If a notice is not explicitly marked as being from their municipality, Homefield Energy, or Commonwealth Edison, customers should assume it is not connected to the electrical aggregation program. For any questions, residents may either visit their municipality's website or call their City / Village Hall or visit www.willelectricaggregation.org.

RE: STOP SIGNS TO BE PLACED IN MEADOW ESTATES

The Village's Police Department has monitored traffic within the Meadow Estates subdivision. Following this study, the placement of six additional stop signs has been recommended, which must be incorporated into the Village Code.

In the future, there may be need for additional instruction at the intersection of Enrietta and Richards. However, at this time, the lack of flow through traffic to the west on Richards Street allows this intersection to remain uncontrolled until a future time. Upon adoption by the Village Board, the Public Works Department shall erect new signs at each of the corners.
