ANNEXATION AGREEMENT

By and Between

THE VILLAGE OF COAL CITY, ILLINOIS

AND

CHAD AND DANA GRUNWALD

**ANNEXATION AGREEMENT
TO THE VILLAGE OF COAL CITY**

THIS ANNEXATION AGREEMENT ("Agreement") is made and entered into as of this ____ day of _____ 2026, by and between the VILLAGE OF COAL CITY, an Illinois municipal corporation, located in Grundy County and Will County, Illinois (the "**Village**") and Chad and Dana Grunwald ("**Owners**"). The Village and Owners may each be referred to as a "**Party**" and be collectively referred to as the "**Parties**".

SECTION 1. RECITALS.

- A. Owners own certain approximately +/- 2.13 acres of real property commonly known as 320 W. Division, Grundy County, Illinois, PIN No. 06-34-451-004 and legally described in **Exhibit A** (the "**Property**").
- B. The Property is located at the northwest corner of West Division and North Mary Streets in unincorporated Grundy County, Illinois.
- C. The Property is adjacent to the corporate boundaries of the Village of Coal City to the east and south and is contiguous thereto.
- D. Following approval of the annexation agreement by the Village Board at a Board meeting immediately following the hearing on the annexation agreement, it is anticipated the property will be annexed to the Village of Coal City.
- E. By operation of local ordinance, the Property will be zoned as RS-1 Single Family Residential immediately upon annexation without further action taken by the Village Board.
- F. The Property is improved with a single-family residence and detached garage.
- G. The Property, extending to the far side of all adjacent portions of West Division Street and North Mary Street (cumulatively, the "**Territory**"), is depicted and legally described on the Plat of Annexation prepared by Chamlin Engineering, dated July 6, 2026 and attached hereto as **Exhibit B** ("**Plat of Annexation**").
- H. The Property is contiguous to the Village's boundaries and is not located within the corporate limits of any municipality.
- I. Owner desires to annex the Territory as shown in the Plat of Annexation into the Village, pursuant to the terms and conditions of this Agreement; and
- J. Owner has filed a duly executed and authorized annexation petition with the Village Clerk signed by all of the owners of record of the Property, and by a majority of all electors residing thereon, if any.

- K. Owners desire to connect to the Village's water and sewer system following annexation and the Village agrees to authorize such connection and thereafter provide water and sewer utility service to the Property in accordance with the terms and conditions of this Agreement.
- L. Pursuant to the Village Code, immediately upon annexation, the Property is automatically designated to be within the RS-1 Single-Family Residential zoning district. The Parties mutually agree that his designation is consistent with the existing and planned future use of the Property. Moreover, the Parties agree that Owners shall be permitted to continue the existing use of the Property as a valid permitted use following annexation. The Parties further agree that if the Village should subsequently alter the zoning classification of the Property or otherwise amend the Zoning Code to modify the permitted and specially permitted uses of the Property in any manner, Owners and successors in interest may continue the present single-family residential use of the Property as a legal non-conforming use.
- M. The Parties have negotiated the terms of a property tax rebate for the Property capped at a maximum aggregate total of \$3,100.00 as set forth more particularly hereinafter.
- N. Owners have represented to the Village that, without the assistance of the Village as set forth in this Agreement, annexing into the Village would not be desirable.
- O. The Village has authority pursuant to 65 ILCS 5/11-15.1-2(e-5) and 35 ILCS 200/18-165 to abate real estate property taxes, which necessarily includes the lesser authority to refrain from abatement but to rebate the Village portion of property taxes to Owners and successors in interest following collection as an alternative method of administration.
- P. Owners desires to annex the Property into the Village, and the Village has considered the Property and believes it would make a valuable addition to the Village.
- Q. The Owners have agreed to enter into an annexation agreement setting forth the terms for the future voluntary annexation to the Village.
- R. The Property is not presently located within the corporate limits of any municipality but is contiguous to the Village, as provided in 65 ILCS 5/7-1-1, *et seq.*
- S. The Parties are authorized to enter into this Agreement pursuant to the provisions of 65 ILCS 5/11-15.1-1 *et seq.* and desire to enter into a binding annexation agreement governing the annexation of the Property as set forth herein.
- T. The Village has agreed to have the Territory annexed into the Village subject to the provisions of this Agreement.
- U. Pursuant to due notice and publication in the manner provided by the Illinois Municipal Code, a proposed annexation agreement similar in substance and in form to this Agreement was submitted to the Village President and Board of Trustees

(cumulatively, the “**Corporate Authorities**”) and a public hearing was held thereon, and the Village has taken such further action required by the provisions of 65 ILCS 5/11-15.1.3 and the ordinances of the Village relating to the procedure for the authorization, approval and execution of this Annexation Agreement by the Village.

- V. The Corporate Authorities have considered the terms and provisions of this Agreement and have, by an ordinance duly adopted by a vote of two-thirds (2/3) or more of the Corporate Authorities then holding office, authorized the President to execute, and the Village Clerk to attest, this Agreement on behalf of the Village.
- W. The Agreement has been submitted to Owners for review and consideration and the Owner has undertaken all actions required by law prior to the execution of this Agreement in order to make the same binding upon Owner.
- X. The Village has found and determined that the Agreement is in the best interest of the Village and the health, safety, morals and welfare of its residents, is in accord with valid public purposes and applicable law and is not otherwise prohibited by law or ordinance.
- Y. The Parties have agreed to the terms and conditions set forth in this Agreement as evidenced by the signatures affixed hereto.

NOW THEREFORE, in consideration of the premises, mutual covenants and agreements herein set forth and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged and the Parties hereto intending to be legally bound hereby covenant and agree as follows:

SECTION 2. INCORPORATION OF RECITALS.

The statements set forth in the recitals to this Agreement are the findings of the Parties, accurate and incorporated into this Section 2 as if set forth in full herein.

SECTION 3. TERM.

This Agreement shall commence on the date this Agreement is fully executed by a duly authorized representative of each Party hereto (the “**Effective Date**”) and shall be binding upon the Parties and their respective successors and assigns, including without limitation any successor owners of the Property, for twenty (20) years, commencing as of the Effective Date.

SECTION 4. ANNEXATION OF THE PROPERTY.

A. Annexation Petition. Owner has filed with the Village Clerk a duly executed Annexation Petition and Plat of Annexation, pursuant to and in accordance with the provisions of Section 7-1-8 of the Illinois Municipal Code, 65 ILCS 5/7-1-8. Said petition is conditioned on the terms and provisions of this Agreement.

B. Adoption of Annexation Ordinance.

Immediately following lawful adoption of an ordinance approving this Agreement and entry into same, the Village President and Board of Trustees (the “**Corporate Authorities**”) of the Village agree to approve an ordinance in substantially the form of **Exhibit C** (the “**Annexation Ordinance**”), annexing the Territory to the Village pursuant to Section 7-1-8 of the Illinois Municipal Code, 65 ILCS 5/7-1-8. Upon such Annexation Ordinance becoming effective, the Village shall promptly cause the Annexation Ordinance to be recorded at the office of the Recorder of Grundy County, Illinois.

C. Effective date of Annexation. The annexation of the Territory shall occur on the date of recordation of the Annexation Ordinance, all necessary plats, and the affidavit of service of notice as required by the Illinois Municipal Code, 65 ILCS 5/7-1-1.

SECTION 5. PROPERTY TAX REBATE EQUIVALENT TO SANITARY SEWER TAP-ON FEE.

The Village shall rebate the portion of the general real estate taxes assessed on the Property, paid by Owners and disbursed to the Village (“**Village Property Tax Share**”) corresponding to taxes paid on the Property beginning with the second installment of the 2026 tax bill (payable in fall, 2027) and each subsequent installment of the Village Property Tax Share until the aggregate total of the sums rebated by the Village to the Owners equal \$3,100.00, at which point the Village shall have satisfied in full the obligations set forth in this Section 5 and no further property tax relief is due hereunder.

SECTION 6. SANITARY SEWER CONNECTION AND TAP-ON FEE.

The Property is serviced by the Village’s waterworks system but not yet connected to the Village’s sanitary sewer system. Owners desire to immediately connect to the Village’s sanitary sewer system and be served thereby upon the Effective Date of Annexation and the Village is willing to authorize such connection in return for upfront payment of the Village’s \$3,100.00 sanitary sewer tap-on fee. In addition to any sewer tap-on fee, the Parties agree that Owners shall pay any and all customary rates, charges and fees, including without limitation, a water or sewer capacity user fee, if and when such charges become due in the ordinary course of business in accordance with Section 51-49(A)(2) and any other relevant provisions of the Village Code, as amended from time to time.

SECTION 7. AGREEMENT COSTS RECOVERABLE.

- A. Negotiation and Review Fees. In addition to all other costs, payments, fees, charges, contributions, or dedications required by this Agreement or by any applicable federal, state, and local laws, statutes, codes, ordinances, resolutions, orders, rules, and regulations, as amended (“**Legal Requirements**”), the Owners shall pay to the Village, immediately after presentation of a written demand or demands for payment, all legal, engineering, and other consulting or administrative fees, costs, and expenses incurred or accrued in connection with the negotiation, preparation, consideration,

drafting, recording, review or preparation of plats of annexation and legal notices associated with Owner's petition for annexation, this Agreement or the annexation of the Property ("**Annexation Expenses**"). The Parties agree that Owner's liability for Annexation Expenses shall be capped at a maximum of \$1,000.00. Payment of all fees, costs, and expenses for which demand has been made, up to the \$1,000.00 agreed-upon limit, but payment has not been received by the Village prior to execution of this Agreement, shall be made contemporaneous with, and as a condition precedent to, the execution of this Agreement by the Village.

SECTION 8. EASEMENTS.

Owner shall grant to the Village public utility and enforcement easements over, on, and across the Property for the purposes of enforcing applicable laws, making repairs, installing and servicing utilities, and providing public and emergency services.

SECTION 9. VILLAGE SERVICES.

Except as otherwise provided herein, upon the effective date of annexation, Owner will receive police protection and other municipal services provided by the Village.

SECTION 10. LIABILITY AND INDEMNITY OF VILLAGE.

A. Village Review. The Owner acknowledges and agrees that the Village is not, and shall not be, in any way liable for any damages or injuries that may be sustained as the result of the Village's annexation or review and approval of any plans for the Property or the issuance of any approvals, permits, certificates, or acceptances for the development or use of the Property and issuance of those approvals, permits, certificates, or acceptances does not, and shall not, in any way, be deemed to insure the Owner, or any of its heirs, successors, assigns, tenants, and licensees, or any other person, against damage or injury of any kind at any time.

B. Village Procedure. The Owner acknowledges and agrees that notices, meetings, and hearings have been properly given and held by the Village with respect to the approval of this Agreement and agrees not to challenge the Village's approval on the grounds of any procedural infirmity or of any denial of any procedural right.

C. Defense Expense. The Owner shall, and does hereby agree to, pay all expenses, including without limitation legal fees and administrative expenses, incurred by the Village in defending itself with regard to any and all of the claims related to this Agreement.

SECTION 11. DEFAULT AND REMEDIES.

A. Procedure for Declaring Defaults. Except as otherwise provided, in the event of a breach or violation of any material term, representation, warranty, covenant, agreement, or

condition of this Agreement (“**Default**”), the Party not in Default shall serve written notice upon the Party in Default, which notice shall be in writing and shall specify the particular Default. Failure on the part of either Party to cure the Default within thirty (30) days after receiving written notice thereof (unless a different time period is specified in the Agreement for curing non-performance of a specific task or event) shall constitute an “**Event of Default**.” Except as otherwise provided in this Agreement, no Event of Default of this Agreement may be found to have occurred if performance has commenced to cure such default to the reasonable satisfaction of the complaining Party within thirty (30) days of the receipt of such notice and the Party alleged to be in Default continues diligently to pursue such cure. Except as otherwise provided, no Default by Owner or the Village shall be actionable or be of other consequence unless and until it shall constitute an Event of Default.

B. Remedies for Events of Default. Except where a particular remedy is specified in this Agreement for a specific Default or Event of Default, the Parties to this Agreement may, in law or in equity, by suit, action, mandamus, or any other proceeding, including without limitation specific performance, enforce or compel the performance of this Agreement; provided, however, that the Owner agrees that it will not seek, and does not have the right to seek, to recover a judgment for monetary damages against the Village, or any of its elected or appointed officials, officers, employees, agents, representatives, engineers, or attorneys, on account of the negotiation or execution of this Agreement. Neither Party shall be liable to the other for consequential damages or lost profits. Any action brought by either party to this Agreement shall be prosecuted in a court of competent jurisdiction in Grundy County, Illinois. In the event that either Party hereto institutes legal proceedings against the other Party for violation of this Agreement and secures a judgment in its favor, the court having jurisdiction thereof shall determine and include in its judgment against the losing Party all expenses of such legal proceedings incurred by the prevailing Party, including, but not limited to, court costs and attorneys’ fees, and witnesses’ fees incurred by the prevailing Party in connection therewith.

C. No Waiver of Right to Enforce. Failure of any Party to this Agreement to insist upon the strict and prompt performance of the terms, covenants, agreements and/or conditions set forth herein, or any of them, upon any other party imposed, shall not, absent other facts and circumstances, constitute or otherwise be construed as a waiver or relinquishment of any party’s right thereafter to enforce any such term, covenant, agreement and/or condition, but the same shall continue in full force and effect.

SECTION 12. GENERAL PROVISIONS.

A. Binding Effect. The Parties intend that the terms and conditions of this Agreement shall be a covenant running with the land and shall be binding upon and inure to the benefit of the Parties hereto, their grantees, nominees, successors in interest, assignees, heirs, executors, or lessees. Owner shall be required to inform any and all prospective and future successors, nominees and assigns of the obligations contained in this Agreement.

B. Time. Time is of the essence in the performance of this Agreement. If the time for any performance hereunder ends on a day not a business day, such time shall be extended to the next business day.

C. Recordation. This Agreement shall be recorded with the Office of the Grundy County Recorder at the Village's expense, and all contracts and deeds of conveyance relating to the Property, or any part thereof, shall be subject to the provisions of this Agreement.

D. No Third Party Beneficiaries. This Agreement is for the sole and exclusive benefit of the Parties hereto and their respective successors and permitted assigns and no third party is intended to or shall have any rights hereunder.

E. Assignment. No part of this Agreement may be assigned by either of the Parties hereto without prior written consent of the other Party.

F. Entire Agreement. This Agreement shall constitute the entire agreement of the Parties hereto; all prior agreements between the Parties, whether written or oral, are merged herein and shall be of no force and effect.

G. Amendments and Modifications. No modification, addition, deletion, revision, alteration or other change to this Agreement shall be effective unless and until such change is reduced to writing and executed and properly approved by the Corporate Authorities of the Village at the time such modification is intended to be effective, pursuant to all applicable statutory procedures.

H. Rights Cumulative. Unless expressly provided to the contrary in this Agreement, each and every one of the rights, remedies and benefits provided by this Agreement shall be cumulative and shall not be exclusive of any other such rights, remedies and benefits allowed by law.

I. Non-Waiver. The Village shall be under no obligation to exercise any of the rights granted to it in this Agreement except as it shall determine to be in its best interest from time to time. The failure of the Village to exercise at any time any such rights shall not be deemed or construed as a waiver thereof, nor shall such failure void or affect the Village's right to enforce such rights of any other rights.

J. Notice. All notice required or permitted to be given under this Agreement shall be in writing and shall be (i) personally delivered, or (ii) delivered by a reputable overnight courier, or (iii) delivered by certified mail, return receipt requested, and deposited in the U.
